Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 18th Aug. 1926 the N.W. ¼ of Section 15 Township 25 Range 14 West of the 4th Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

(1) On the day above mentioned, that is on the morning of the 18th Aug. 1926 — By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

(2) On the following day, that is on the morning of the 19th Aug. 1926 — For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.
For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 20th Aug. 1926 — By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to APPEAR PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ Fenci ng

PAYMENT FOR IMPROVEMENTS

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the *full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND

The following indebtedness is charged against this land: $ 47.37 & int. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay or assume the full amount of indebtedness (for particulars enquire at office of Agent).

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Sir:

Re. W½ 31-25-10, W4

I am in receipt of a report from one of our Homestead Inspectors who recently visited you in an effort to secure settlement of your seed grain indebtedness. The Inspector reported that you had 750 bushels in wheat, which yielded from 3 to 4000 bushels, and that you stated you are making payment of this indebtedness from the Wheat Pool payment, which presumably will be made in March next. Our Inspector might have secured from you an assignment of the amount you intended to pay, and as undoubtedly it is your intention to make the payment, I would suggest that it would place the account in a better position if the Department held your assignment. Will you, therefore, be good enough to forward an assignment on one of the regular forms which you may secure from the representative of the Alberta Co-operative Wheat Producers, Limited.

Dear Sir:-

In reference to the [illegible] Sec. 31-25-10 west of the 4th meridian. You will note most likely that there is around $4000.00 owing for seed grain advanced relief, from 1917, and you will see that [illegible] start on [illegible] $2,500.00, which [illegible] has been paid [illegible] $1500 to the balance of the $4000.00 is interest [illegible] several crops [illegible] nine years account of dry weather [illegible] crop [illegible] I understand from [illegible] that your [illegible] municipal officers, that you are making a reasonable reduction on these debts, or at least collecting them at a greater reduction on these debts or at least collecting them at a greater reduction as under than the debt reduced. I cannot see any way clear to pay or meet [illegible] as this country is subject to dry weather at the time, and this land is being sold by the municipality at $2 per acre [illegible] so you can see that it is [illegible] financial view point, and besides it looks to me as though it would be good business for the government to get at least most of the principal, and at the interest we rather than to lose the whole debt as has been done in many [illegible] of cases [illegible] Yours truly

The N.E.31-25-10 W.4th, patented to Milford Givens on the 24th April, 1917, subject to the above liens, on which there is a house, $500.00, stable, $350.00, two granaries, $140.00, 80 acres fenced, $60.00, chicken coop, $50.00, shed, $60.00, and 110 acres broken, value $7. per acre., total value of improvements $1,140.00, exclusive of cultivation.

The pre-emption of the debtor, S.W.31-25 10 W.4th, on which there was $834.24 due to the 1st November, 1927, to complete payment of purchase price. No improvements on this quarter except 110 acres cultivation, value $7.00 per acre.

In 1924 Mr. Givens placed himself under The Debt Adjustment Act, reference A. S. 7 of that office, and his liabilities at that time were $2,802.01, according to information supplied by the Director. In 1925 Mr. Givens was again under The Debt Adjustment Act, but apparently he has been managing the disposition of his crop for himself the past two years. In 1926 there would appear to have been a crop, and two small payments were made from the proceeds of same, and in 1927 the crop was 3 to 4 thousand bushels of wheat, according to our inspector's report, on his own and rented land, oats cut for feed.

- Under date -

Mi[redacted]ord Givens.
N.½ 31-25-10 W.4th.

Under date of the 17th ultimo Mr. Givens wrote stating that he had lost seven crops out of nine owing to dry weather, and that his land was being sold by the Municipality for taxes. He asked that the amount due on his seed grain, fodder and relief indebtedness be reduced by half or more in order that he might stay on the land, stating that land could be bought in that municipality for $1.00 per acre.

Mr. Givens has been advised that the matter was under consideration.

Re: Account of Milford Givens,
N.W.¼ 31-25-10-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Milford Givens received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $754.62 of which $248.90 is principal and $505.72 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

Re: S.4, 7, N.W. 6 & N.W. 31-25-10-W.4th

We wish to thank you for your letter of the 2nd of February, 1956, offering the sum of $75.00 to settle the Federal account charged against the above lands. There are actually two Federal accounts, one in the name of Thomas Cragg and the other in the name of Milford Givens. The present standing of these accounts is as follows:-

	Principal	Interest	Total
T. E. Cragg	$102.00	$200.46	$302.46
Milford Givens	$248.90	$505.72	$754.62

In view of the poor quality of the land concerned and the financial circumstances of Mrs. Givens, we believe that the Seed Grain Advisory Board will give sympathetic consideration to granting a substantial reduction in this case.

As a recent Abstract of Title shows there are additional liens registered against the N.W. 31-25-10-W.4th by the M.D. Berry Creek No. 214, we are requesting Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, to investigate this case with a view to having these additional encumbrances included in whatever settlement is proposed. We expect you will hear from him in the next few days.

Yours very truly,

Re: S.W. 7, N.W. 6 & N.W. 31-25-10-W.4th

We are enclosing a copy of a letter received from W. J. Stainton, Esq., Barrister and Solicitor, Hanna, Alberta, concerning the Federal indebtedness charged against the above lands. The following Federal accounts are still outstanding:-

	Principal	Interest	Total
T. E. Cragg	$102.00	$200.46	$302.46
M. Givens	$248.90	$505.72	$754.62

There are also the following liens registered against the N.W. 31-25-10-W.4th by the M. D. of Berry Creek No. 214: Seed Grain Lien dated April 20, 1922 for $71.75 and A.M.A. Liens dated 1936 and 1937 Nos. 899 F.X., 4650 F.X. and 7160 F.X. The Canadian Bank of Commerce also has a claim against this land for $879.70 plus interest.

It will be appreciated if you will write to Mr. W.J. Stainton and, if possible, arrange an equitable settlement of both our claims.

Yours very truly,

C. K. LeCapelain,
Chief, Lands Division.

RE: Account of John C. Herron
S.E. ¼ 3-32-3-W.4th
N.E. ¼ 34-31-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $274.15 were advanced to John C. Herron on the security of the above mentioned land. A payment of $89.17 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$188.35	$385.60	$573.95

Patent was issued in the name of John C. Herron for the S.E. ¼ 3-32-3-W.4th on the 31st of January, 1914, the land later becoming subject to the 1915 liens. The N.E. ¼ 34-31-3-W.4th was formerly the pre-emption entry of the debtor on which security the liens were also obtained.

This land is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens.

In 1921 the S.E. ¼ 3-32-3-W.4th became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since reverted to Municipal District of Canmer.

According to an Abstract of Title dated the 15th of February, 1956, the S.E. ¼ 3-32-3-W.4th now stands in the name of the Municipal District of Canmer subject to the liens; while the N.E. ¼ 34-31-3-W.4th now stands in the name of a Mr. Robert Melving Herron of New Brigden, Alberta, clear of any Federal encumbrance.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

Sir,

Re NW¼. 22-32-3, W4M.

I beg to acknowledge the receipt of your declaration of abandonment in connection with the above mentioned quarter section, which you hold as a preemption entry. You state in your declaration that you wish to abandon your preemption entry and to be allowed to refile on the land as a Soldier Grant.

In reply I am to inform you that action is not being taken on your abandonment at present as it may be possible that you are not eligible to enter for land as a Soldier Grant.

For your information I am enclosing copy of Form 325 also a copy of The Soldier Settlement Act, 1919, and I am to draw your attention to Section 15 of the Act. After reading this Section of the Act you will be able to judge whether or not you are in a position to apply for a Soldier Grant entry. If not, you should communicate with this office within thirty days and apply to have your abandonment withdrawn so that you may retain this quarter section as your preemption.

If you are eligible for a Soldier Grant, you should appear at the office of the Agent of Dominion Lands at Calgary and execute Form 325 and present your Attestation Certificate from the Soldier Settlement Board. If the Agent is satisfied that you are entitled to a Soldier Grant entry, he will cancel your preemption and allow you to make Soldier Grant entry for the land in the ordinary way.

Sir:

I am in receipt of your letter of 28th ultimo wherein it is observed you have credited the amount of $89.80 to the 1915 Liens, and it has been deemed advisable, in view of the 1919 advance having the weakest security, to apply the said payment to that advance as shown in the accompanying statement. You might be good enough to place your records in agreement.

Re: Account of Edwin E. Ward,
[redacted] 22-32-3-W4.

Dear Sir:

During the years 1915 and 1919 while homesteading the above mentioned land, Mr. Edwin E. Ward received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,268.10 of which $426.06 is principal and $842.04 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Edwin E. Ward
W½ 22-32-3-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 seed grain, fodder and relief amounting to $465.30 were advance to Edwin E. Ward on the security of the above mentioned land. Payments of $89.90 and $117.00 were received in 1928 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$426.06	$842.04	$1,268.10

Patent was issued in the name of Edwin Elmer Ward for the S.W.¼ 22-32-3-4 on the 14th of March 1916, and for the N.W.¼ 22-32-3-4 on the 19th of June 1930, subject to the liens.

This half-section of land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is discribed as situated in a drought area of the Province designated a Special Areas where crops have always been subject to failure on account of drought.

In reply to our questionnaire of the 16th of May 1952. Mr. J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Edmonton, Alberta, advised that this half-section was now assessed in the name of a Mr. Edwin E. Ward of Lea Park, Alberta, and that the land had a present day value of only $580.00.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances and in view of the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled.

Re: Account of John Abramoff
N.W.¼ 14 & S.W.¼ 14-32-3-w.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $84.15 was advanced to John Abramoff on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$84.15	$172.40	$256.55

Patent was issued in the name of John Abramoff for the S.W.¼ 14-32-3-W.4th on the 25th of March, 1916, and for the N.W.¼ 14-32-3-W.4th on the 27th of January, 1919, subject to the 1915 lien.

These two quarter sections are of very low assessed value ($450.00) and have never been revenue producing sufficiently to enable the repayment of the lien. The land is described as sandy, rolling and hilly and is situated in a drought area.

The original debtor has long since lost his interest in the land due to forfeiture proceedings for nonpayment of arrears of taxes and the S.W.¼ 14-32-3-W.4th now stands in the name of a Mr. R. Dockstender of Esther, Alberta; while the N.W.¼ 14-32-3-W.4th still stands in the name of the Municipal District of Canmer No. 301.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Dear Sir:-

S.E. of 16 - 26 - 4, West 4th.

We have an agreement from the owner of this quarter section covering right of way of our railway Acadia Valley Branch, over the above quarter. We require 5.53 acres which at the rate of $50.00 an acre makes a total consideration of $276.50. We find, however, that the owner has not received his Patent. I would be glad if you would advise me if this is a homestead or pre-emption, the date of entry, when Patent will issue and whether or not the consideration should be paid to you.

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on the ground of failure to apply for patent and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the Inspector's report shows no duties performed, you may at the end of the sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In All other cases where a defence is filed or where the Inspector's report shows any duties performed, you should refer here before cancelling.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspectors should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way under entry to soldiers, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form issued by you should be sent here to complete Head Office record.

Sir,-

N.W.¼ Sec. 19 Tp. 54 Rge. 9 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:

Re: N.W. 19-54-9-W. 5th Meridian,
L. Rehn, Dominion Advances.
- - - - - - - - - - - - - - - - -

Please be advised that the Manager of the Canadian Bank of Commerce, Jasper Place, Edmonton, Alberta, communicated with this office in December of 1954 with respect to the account referred to above.

At that time we advised him that the total amount outstanding was $101.50, as per your statement which was received a little earlier in the year. It was suggested at that time that the debtor wished to obtain a compromise settlement of the account and we informed the Bank Manager that we would require a history of the debtor's circumstances. About that time the debtor passed away and his widow paid, through the same bank, the sum of $101.50 which was remitted to this office on August 23rd, 1955, with a request that if a lesser amount could be accepted we were asked to compromise the account.

Again the Bank Manager was requested to furnish information on which to base the recommendation for compromise and his reply of October 14th is to the effect that payment of the sum of $101.50 would not inflict any real hardship on the widow or dependent family and requested us to accept the payment made as settlement in full and close the file.

This payment is being remitted to you herewith by our cheque No. R 2955 and I would ask that you kindly accept same as a satisfactory settlement and instruct the Registrar of the Land Titles Office at Edmonton to release the encumbrances filed in that behalf. Your advice at earliest convenience would be appreciated.

You wrote to us on the 14th of March, 1956, concerning the account of O. K. Topstad charged against the above land. Mr. Conrad O. Topstad wrote to us on the 18th of February, 1956 concerning this matter and upon obtaining an Abstract of Title, we found that in addition to our lien there was an encumbrance against this land in the name of the Municipal District of Rocky Rapids.

We, therefore, referred the settlement of this account of Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta. We are sending a copy of your letter to Mr. Cherkas and we expect that you will hear from him within the next few days.

Re: S.E. 21 & S.W. 22-49-7-W.5th

Since writing to you on the 21st of March, 1956, we have been informed by Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, that the Municipal Lien in the name of the Municipal District of Rocky Rapids was removed on the 15th of February of this year. The only lien now outstanding is in the name of the Crown for $57.00.

We have considered the letter from Conrad O. Topstad, the present owner, also other information on our files and we believe that there are sufficient reasons to grant a reduction in this case. In order to assist the present owner in clearing his title, if he will remit the principal amount of $57.00 within a reasonable time, it will be recommended to the Seed Grain Advisory Board that this sum be accepted in full settlement of the Federal indebtedness.

Yours very truly,

Re: Account of O. K. Topstad
S.E. 21-49-7-W.5th & SW 22-49-7-W5

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain in the amount of $57.00 was advanced to O. K. Topstad on the security of the above described land. In 1918 a payment amounting to $23.00 was received and applied to principal and interest. The present standing of this account is:-

Principal	Interest	Total
$40.30	$89.94	$130.24

In reply to our inquiry concerning the Federal indebtedness charged against this land, Mr. Conrad O. Topstad, Drayton Valley, Alberta, on the 18th of February, 1956, wrote as follows:-

"In reply to your letter of Feb 9th 1956 in regard to a seed grain loan by my dad the late O. K. Topstad in 1915, while homesteading S.E.¼ 21-49-7.

I was shocked to hear this debt was unpaid as I thought it had been settled long ago, of course this was long before my time, but I do remember my dad telling me about going to Gainsford Station with ox team in the early days to get some seed grain.

When he arrived at the station he found the Seed Grain to be of poor quality & much wild oats and other noxious weeds, however he took the grain home.

The understanding I received from my dad was that this debt was erased years ago so I feel that I should not be responsible for payment of this debt under these circumstances.

We have had poor crops here for many years & my dad was sick for many years before he passed away last summer so I have had more expenses than I have been able to meet.

Hoping this letter of explanation will be clear to you."

The assessed value of this quarter-section in 1952 was $1,040.00.

After negotiations the sum of $57.00 being the principal and a partial payment on interest has been received in full settlement of our account. Under the circumstances and in view of the previous payment, this is considered equitable.

RECLAMATION SERVICE.

Unpatented area of.....
reserved for the purposes of this scheme.

Sir,

In connection with the proposed investigation to determine the feasibility for reclamation by drainage of land in Athabasca District, I shall be glad if you will reserve in your records, the land included in the schedule attached.

I beg to advise you that reservations placed against land which is already under entry will not affect the rights of the entrant. In cases where the entry is cancelled or abandoned, it is proposed, unless there is a recognized applicant for the cancellation of the entry, to reserve the land for reclamation by drainage. Any application for inspection covering an entry within the tract now being reserved, which may have been received by you previous to the date of the receipt of this letter, may be dealt with by you in the regular way.

APPLICATION FOR INSPN. With regard to applicants for entry who may appear before you in the near future, claiming that they have incurred expense in locating suitable land within the tract now being reserved, the Reclamation Service will offer no objection to such person or persons being allowed entry, provided you are satisfied by statutory declaration that the applicant did incur expense in good faith in locating land prior to the date on which you received this letter.

You will, of course, understand in regard to the foregoing instructions that applicants must be eligible for entry in other respects, viz., if the land is soldier settlement land application for entry or for cancellation could ONLY be received from a person who has the right to entry within that tract. Please advise me when these reservations have been noted in your records.

Dear Sirs File no 219689 2.142589

Your letter of June 19 received and I now beg to reply to it.

I regret that I was unable contrary to my expectations to make my first payment on the fraction of land the government so kindly allowed me to purchase but I can assure you that I will shortly be in a position to do so. I have a small market garden this summer which will enable me to keep my family while we are doing our homestead duties the remaining portion of the year and also sufficient to permit me making my first payment on the land in question I would be greatly helped if the department will wait until September say the 15th when my garden produce will be largely marketed and it will be possible for me to make the payment. It would be possible for me to pay it sooner if I sold my garden outright for a lump sum and did not retail it myself, but if I did so I would of course lose by it I am desirous of making every dollar I can out of it, as I have worked hard to attain success I have every wish to hold the fraction and would regret very greatly if I lost the chance of finally owning it. Awaiting a favorable reply, I remain.

Yours truly.

Dear Sirs,

Re Sec 1 - 19 - 68 - 91

I received your letter of Dec 14th recently and in reply beg to say that I find myself unable to make the payment due on the S½ 28 36 14 W5 mer. I have been to a good deal of expense lately in getting my house built on my adjoining homestead, building one to value three hundred dollars, in accordance with the homestead regulations. Having no team of my own it is costly and considerable to have my lumber hauled from the railroad. I have built a house more valuable than the average settler erects on his homestead, and it is my wish to give my family a comfortable home. I have my house practically finished now and we are moving on to it the end of the month to commence permanent residence on it. If the department would care to give me additional time to make a payment of principal in April, I would pay up the interest to date as soon as I received their answer. I am most anxious to hold the fraction, and would do my utmost to make a fair payment of principal about the middle of April. Trusting you will give this your careful attention I beg to remain. Yours truly, A. E. Marshall

Sir,

I am to advise in connection with your Application for Patent for the N. Re N.W.¼ 21-56-14-W.5th M.

I beg to acknowledge the receipt of your letter of the 9th instant and note you are now making a bona fide attempt to complete the cultivation duties required in connection with your homestead above described.

It is not the wish of the Department to unduly press you in the matter but it is suggested that you complete as soon as possible the necessary cultivation and upon the completion thereof appear before the Dominion Lands Agent or Sub-agent for the district, or Homestead Inspector, and furnish a supplementary statement to complete your application for patent.

Encl.

Were the land of the ordinary prairie type your entry would call for in the way of cultivation the breaking of at least thirty acres and the cropping of at least twenty thereof, the land to be worked in each year for three years and cropped in two of such years. It is understood, however, that the quarter-section is of a class difficult to break and, under the circumstances, the equivalent in money and labour expended in the breaking and preparing for crop as aforesaid of a like area of ordinary prairie land will suffice. It is understood the breaking of eight acres would equal the breaking of at least thirty acres of ordinary prairie land.

I am enclosing herewith for your further information and guidance a Hand Book of the regulations.

Dear Sir

I am writing to ask the department if my right to my homestead is still good. I am proving that I have the necessary land under cultivation, the homestead inspector visited our ranch last year and seemed to be satisfied with what I had done. I have also had a survey made of the land and I got the following letter from the surveyor. "I have completed the survey of the land you applied for, but am not having a town plan to go with it as I am a practical surveyor and not a draughtsman." I would be much obliged if you would inform me what I will be allowed to do. I have done other work myself on the homestead but I am lacking the actual breaking and cultivation. Is it possible for me to get a patent for the homestead and if so how much will it cost. Please answer by return as I am expecting some money from the East. Today I applied for my patent but was told that I must wait for your reply. I am receiving some money from the East. Today I applied for my patent but was told that I must wait for your reply. Memorandum:

Mr. Hume

N.W.¼ 21-56-14 W. 5th M.
Homestead - Alfred Charles Rumball.
Entry granted 15th October, 1910.

The entrant in this case made application for patent on the 24th June, 1919, claiming residence, cultivation, stock and other improvements as shown on form #58-A (marked). You will note that he claimed only 2½ acres under cultivation, whereas he should have 30 acres broken and 20 acres cropped, or an amount equivalent thereto if the land required clearing. You will also observe that he claimed ownership of 5 head of stock and fairly good improvements.

House, ... value $300.00
Stable, . . . " $ 35.00
240 rods fencing, " $115.00

On the 17th October, 1919, Homestead Inspector McConnochie reported that he believed the residence was O.K. as stated in the entrant's application for patent.

Improvements: House, ... value $400.00
Stable, ... " $ 75.00
½ mile fencing, 2 rails," $ 40.00

General Remarks:

"There is very little cultivation done on this quarter, a garden of about ½ an acre is all the land ever cultivated. The land is stony and bush and I consider Mr. Rumball should be called upon to break at least eight acres and cultivate the same."

On the 19th November last the Agent again submitted the application for patent, together with a further report from Inspector McConnochie dated the 12th October, 1923, in which he credited the entrant with cultivation as follows:

1920 - cropped 3 acres
1921 - broke 5 acres, cropped 3 acres
1922 - cropped 3 acres
1923 - cropped 3 acres.

The Inspector valued the cultivation duties performed at $200.00.

- General -

General Remarks:

"This man is decidedly hard up. His wife is out working to support their three children. I asked Mr. Rumball to make an effort to crop the 5 acres he had broken in 1921 and would then recommend that his pat. be granted. I value his broken land at $25.00 an acre to clear and break."

The application for patent was returned to the Agent on the 29th November last and he was informed that Inspector McConnochie in his report recommended that five acres be cropped although he valued the cultivation done at $200.00 which was more than the equivalent of breaking thirty acres of ordinary prairie land and it was not understood why more cultivation duties should be done; that if he was satisfied that sufficient duties had been performed he was to instruct the Inspector to call upon the homesteader and take a supplementary statement showing the duties to date, and when the supplementary statement came to hand showing the cultivation duties as set forth in the Homestead Inspector's report if he was satisfied to recommend the application he should do so.

On the 11th December the Agent instructed Homestead Inspector McConnochie to call upon the entrant and accept from him a supplementary statement showing the duties performed since the date of his application for patent, namely the 24th June, 1919.

The Agent has again returned the application for patent not recommended, together with a supplementary statement from the entrant dated the 10th ultimo in which he claims that he has been in continuous residence on his land but that he has done no breaking since he applied for patent.

Stock: 9 head of cattle, 2 pigs.

Improvements: 1½ miles of fencing, value $75.00.
Small hen house, " $10.00.

The Agent in his covering letter asks to be advised as to what further action the Department wishes to be taken in connection with this case.

OTTAWA. 26th August, 1924.

Sir,

N.W.¼ 21-56-14 W. 5th M.
Homestead - Alfred Charles Rumball.
Your Reference - 174582.

I beg to acknowledge the receipt of your communication of the 11th instant enclosing the application for patent of Mr. Alfred Charles Rumball for his homestead above described, together with a supplementary statement.

In reply I would point out that the entrant in this case made application for patent on the 24th June, 1919, claiming cultivation as follows:

1915 - broke ½ acre, cropped ½ acre,
1916 - cropped ½ acre,
1917 - broke ½ acre, cropped ½ acre,
1918 - broke 2 acres, cropped 2½ acres,

whereas Homestead Inspector McConnochie in a report dated the 17th October, 1919, stated there was very little cultivation done on the quarter-section, a garden of about one-half an acre was about all the land ever cultivated, that the land was stony and bush and he considered Mr. Rumball should be called upon to break at least eight acres and cultivate the same.

In a further report from Inspector McConnochie dated the 12th October, 1923, he credited the entrant with cultivation as follows:

1920 - cropped 3 acres,
1921 - broke 5 acres, cropped 3 acres,
1922 - cropped 3 acres,
1923 - cropped 3 acres,
value $200.00.

You will note that the Inspector credited him with the above cultivation subsequent to the date on which he made application for patent. In his general remarks the Inspector stated that this man was hard up and that his wife was out working to support their three children and that he asked the entrant to make an effort to crop the five acres he had broken in 1921 and he would then recommend that patent be granted. The entrant in his supplementary statement now to hand claims that he did no breaking since he made application for patent.

The Agent of Dominion Lands,
Edmonton,
Alberta.

- In -

In view of the conflicting statements as to the manner in which the cultivation duties have been performed, I am to request you to detail a Homestead Inspector to visit this land and report fully as to the cultivation duties performed in each year by the entrant. Kindly issue the necessary instructions and have this report furnished with as little delay as possible.

Your obedient servant,

J. M. ROBERTS

Secretary.

I am writing to you regarding the fraction of ¼ section adjoining my homestead N½ ¼ sec 21 Tp 51 Rg 14 west of 5th mer. which I have had in my name for a number of years I find I cannot possibly pay for it in my present circumstances and I therefore feel it is best now to give up the idea of trying to hold it. Your Ref.-174582.

I beg to request that you have an Inspector call on the entrant and accept his application for patent for his homestead covering parts of the above described lands, the remainder of which he was allowed to purchase, which privilege has since been cancelled.

In view of Inspector Merrigan's report of the 24th April, 1925, it would appear that sufficient duties have been completed in connection with Mr. Rumball's homestead.

Kindly have the Inspector give this matter his earliest attention so that in the event of the entry being cancelled, the question of disposing of the above described lands as two separate parcels may receive consideration.

Your obedient servant,

Secretary.

Dear Sirs:

I am writing to you regarding my homestead the N.W.¼ Sec. of 21, Tp. 56, Rg. 14, West of 5th Mer. I have let my taxes accumulate and now there is a considerable sum against me. I want to reduce the amount this summer and save the place. I understand there is to be a sale of the lands that are in arrears. I understand the sale is to be some time this summer. I would be very sorry indeed if I lost my homestead. I have made it my home ever since I took it up and have lived upon it almost continuously and I like the place very much. I do not know what terms the homesteads will be sold on, but I can pay one-fourth of my taxes this summer. If the Dept. could give me time until the first or 15th of August for part of the one-fourth payment, I could pay the balance now. I have a fifty dols. on hand which I will send you immediately on hearing that you will be satisfied with this arrangement. I am afraid I cannot meet the balance I would be owing to make up the one-fourth payment until the date mentioned. I am depending on a crop of potatoes this summer for my living and I would not be able to market them much before that date. If this is not satisfactory to the best, please let me know when I would have to pay the balance of the one-fourth payment and what amount it would be. I am under the impression that the lands will be sold on the terms of ¼th down and the balance in 5 yearly payments. If I can do this will the government permit to retain my homestead? I would like to hear from you soon and if this arrangement is satisfactory, I will send you the fifty dollars immediately.

I remain,

Yours truly,

(Sgd) A.E. Rumball

With reference to your letter of recent date addressed to the Agent of Dominion Lands, Edmonton, relating to your renewed application to purchase the fractional S.W.¼ of Section 28, Township 56, Range 14, West of the Fifth Meridian, I beg to say that should a renewal be granted you of the privilege of purchasing the land, payment of either the whole of the amount of the purchase price would require to be made within a period of approximately thirty days from the date on which such permission may be granted, or one-fourth of the amount within such time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. On any overdue instalments, the rate of interest would be 7%.

I may add that upon your advising the Department definitely that you desire to purchase on such terms of payment, if the land is then available the necessary action will be taken to obtain a report from an official of the Department in connection therewith. MEMORANDUM

Mr. Hume.

Fr. S.W.¼ 28-56-14-W.5th M.
Comprising 80.1 acres.

In January 1911 Mr. A.C. Rumball, who held under homestead entry the S.W.¼ 21-56-14-W. 5th M., was advised that sufficient of the above described fractional area had been added to his homestead, which contained 143 acres, to bring the area up to 160 acres, and that he might purchase the balance of the 63.1 acres at the rate of $3.00 per acre subject to earning title to his homestead. Patent subsequently issued for the fractional S.W.¼ 21. No action has been taken to add sufficient of the S.W.¼ 28 to bring the homestead up to 160 acres. (See sketch marked).

On the 1st June, 1926, the permission granted Mr. Rumball to purchase the 63.10 acres was withdrawn. On the 30th June, 1926, the Agent was instructed to have an Inspector call and take Mr. Rumball's application for patent for his homestead. This action was taken and patent issued in his favour on the 19th October, 1926.

In April last Mr. Rumball again made enquiries in connection with the fractional S.W.¼ 28, and was advised by the Land Patents Branch that on advising the Department definitely as to his desire to purchase, if the land is then available, the necessary action will be taken to have an Inspector furnish a report.

On the 6th ultimo Mr. Rumball stated that he was still desirous of purchasing this fractional area but that as his first consideration was to make his homestead secure from sale for taxes, he was not in a position to pay. He was advised that his representations had been considered and that when he was in a position to make payment, should the land be then undisposed of, his request would receive consideration.

The Land Patents Branch has referred to this office as to the disposition of the land, which is apparently vacant. Possibly instead of posting this area it might be advisable to notify the Agent that the land is vacant and to refer here any applications he may receive in connection therewith.

This is almost the same as reserving it for him. I think his intentions are good, but it may be a long time before he can undertake this purchase. W.E.H. 16-2-28

Re S.W. 28-16-14-5. Area 80.1 acres.

I beg to bring to your attention Mr. Cowan's memorandum of the 16th February last in connection with the permission granted to A.C. Rumball to purchase the above-mentioned quarter section.

A sketch is on file underneath, marked, which shows the land in question outlined yellow.

A letter dated 22nd February last was addressed to Mr. Rumball allowing him a final period of 60 days within which to forward the initial payment on account of the purchase price. It was added that upon failure to make this payment the agent would be instructed to make the land available for entry by posting for 10 days in the usual manner.

No reply has been received from Mr. Rumball and the agent inquired by a letter of the 7th instant if this fraction may be made available for settlement again.

I beg to recommend that, in view of the fact that in several instances Mr. Rumball has been given an opportunity to make an initial payment on account of the purchase of this land and has failed to do so and to reply to the departmental communications in the matter, the permission to purchase this land, granted to Mr. Rumball, be withdrawn, and the agent be instructed concerning the decision reached and advised make the land available for entry by posting the land for 10 days in the usual manner.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Replying to your favor of June 28th for which I thank you I beg to say that I am sorry I neglected to acknowledge your former communication to me regarding the fractional quarter section adjoining my homestead and which the department was willing to allow me to purchase. Late in the day though it is to do so I would like

to thank you for the privil
you wished to extend me.
It so happens that no loss
has been sustained as far as
I am concerned. I could see
no prospect of paying for it.
It will be all I can do to
save the homestead. I am in
debt several hundred dollars
on it and I have to make
every effort to hold it. My wife
bought a quarter section of
land, mainly to be near school
for we have one boy of school
age. This place has not been
completely paid for and I
am helping him to pay for it.
My homestead though a very
attractive place right on the
lake shore, has been very incon-
venient indeed for us for we have
been completely shut off from
school all these years and
we have had very great difficult

in giving our children even a simple education. Shining Bank lake lies between my homestead and the present school district. It is a large lake as compared with so many all over Canada but large enough to make it dangerous for children to cross in a boat on account of storms coming up suddenly. It is impossible to cross it in the spring of the year when the lake is thawing to break up also in the beginning of winter when the ice is not safe. We were therefore compelled to move into this place so that our youngest boy would have a chance to get a bit of schooling. Thus we have been crippled financially. We have had our school taxes accumulating on my homestead but have kept them paid on my wife's place

side of the lake as the school
Shining Bank Lake is about
nine miles round, and there
is no road around the near
est end of it to my homestead.
The nearest school we could
have reached without crossing
the lake was nearly seven
miles. I wrote a few days
ago asking if I could
take up another homestead
now as I see by the papers
that a second homestead
is going to be granted to those
who received their patent before
Jan/ of 1925. My patent is
before was issued some time
before I sent my application
in. I don't remember why this
was rejected. I know I had
sufficient improvements and
more than sufficient residence
on it to justify getting the
patent, so I hope I will
be allowed to take one this

summer. I would like very much to be allowed to do so. My eldest boy is eligable to take up one, and I would like to take one adjoining his so that he can live with me while he is proving up, and it will be company for him, and I can help him. If I cannot take my second homestead now will you kindly let me know when I will be allowed to do so

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Dear Sir,

I am writing this letter to ask you if you will do me the kindness to let me have a second order of permission to take up a second homestead. The acting commissioner at the time I applied for it, granted my request and I was unfortunate enough to lose it. I am now anxious to make use of that right and would be very thankful if you would let me have another order giving me title to take up my second homestead. I am in continuous residence on my first one and would like the privelege of taking up another one that is now open for entry adjoining mine. I am sorry to give you this extra trouble, but hope you will kindly grant my request. Hoping you will do so, I remain

Re: Account of Alfred C. Rumball
N.W. 21-56-14-W5

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $95.00 was advanced to Alfred C. Rumball on the security of the above mentioned land. A payment of $20.00 was received in 1919 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 85.60	$ 152.06	$ 237.66

Patent was issued in the name of Alfred C. Rumball for the N.W. 21-56-14-W5 on the 19th of October 1926, subject to the 1915 liens.

In 1942 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the crown in the right of the Province.

The land is described as sandy loam and hard to bring under cultivation and apart from poplar and willow timber it is very stoney.

According to an Abstract of Title dated the 22nd of May 1953, this quarter section still stands in the name of the Minister of Municipal Affairs, of the Province of Alberta. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:

N.W. 21-56-14 W. 5th Mer.

I have your Board Order No. 11253 recommending settlement of the indebtedness of A.C. Rumball on the above land by payment of $79.62.

I find on looking into the account of A.C. Rumball that his indebtedness was considered by the Seed Grain Advisory Board at Ottawa in May, 1953, and as title to the quarter section had been taken by the Province by a foreclosure for Tax Arrears it was recommended that the account be written off. A notice was forwarded to the Registrar at Edmonton on the 24th of August, 1953, directing him to remove liens in the amounts of $45.00, $15.00, $35.00 and $50.00 from the title of the N.W.¼ of 21-56-14 W. 5th Mer.

You will recall that prior to the time you took over the investigation of these accounts it was not the practice to refer all Federal accounts to the Chief Collector. This was one of the accounts considered at Ottawa and was not included in the list of outstanding accounts forwarded to you in November of last year.

Your efforts to effect collection of these Federal accounts are very much appreciated and we regret that we must return Board Order No. 11253. The payment of $79.62 will be refunded by our Treasury Office within the next few days.

PRIORITY OF APPLICANTS FOR PRE-EMPTION.

(a) In deciding the question of priority of right between two applicants for the same pre-emption, the rule provided by sub-section 6 of section 27 of the Dominion Lands Act must be followed. That is to say, priority of date of entry receipt or of date of squatting before survey gives priority of right to pre-emption. For the purposes hereof, the date of squatting before survey stands in the place of date of homestead receipt. If two entry receipts are dated on the same day, the one first entered in the books has the priority.

(b) It is to be noted that priority of pre-emption right by reason of priority of homestead receipt does not apply unless the entry is in good standing.

(c) For the purpose of this regulation, a homestead entry which has stood for not more than six months shall be considered to be in good standing.

(d) A homestead entry which has stood for a period exceeding six months shall also be considered to be in good standing if the entrant has been in bona fide residence within six months before the date upon which his right is questioned, and is otherwise complying with the provisions of the Act.

(e) An entry under protection is not to be considered as being in good standing for the purpose of establishing priority as against another applicant for pre-emption who is in good standing, unless the homesteader proves that he is in actual residence.

(f) In case the homestead entry of an applicant for a pre-emption entry is subject to an application for cancellation, the question of right of such homesteader shall be subject to decision of the Agent on the best evidence available, if sufficient. If sufficient evidence is not available to warrant a decision he may withhold entry and refer to Head Office, and the reservation will be continued until the decision of Head Office is received, and the position of the other applicant, or applicants, will be maintained in the meantime.

(g) The question of the good standing of a homesteader applying for pre-emption entry is not to be raised, except in case of conflicting application for pre-emption by another homesteader or by a squatter before survey or by an applicant for homestead entry, either free or purchased, or by an applicant for cancellation.

Dear Sir:

I have your letter of the 19th instant and return herewith the enclosures received under cover of the same.

Enclosed you will find a list of Liens extracted from the Seed Grain Docket of the General Register giving entirely different amounts and in some cases a variation in the names.

If these new amounts are registered there will be duplication.

In regard to the S.W.¼ 34-3-3rd 4th Mer., this land has been granted to Walter Cartwright by the Province and, of course, the Liens against Glinosky did not attach to the Certificate of Title.

The N.E.¼ 13-24-5-W 4th M. was granted to Anton Kulyk but as there were no Dominion Liens registered in this his Certificate of Title is, of course, clear of Dominion indebtedness.

No. Certificates of Title have yet issued for the balance of the lands and if a grant is made to a person other than that set out in your list the said Lien will, of course, not attach.

I think it would be well if you submitted the whole question to the Department of Lands and Mines at Edmonton before any further step is taken.

Yours truly,

Re: Account of Anton Kulyk,
S.W.¼ 2-24-5-W4.

Dear Sir:

During the year 1919 while homesteading the above mentioned land, Mr. Anton Kuluk received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $709.84 of which $198.00 is principal and $511.84 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir: Re: S. E. 3-2½-2- .4th

We are enclosing a copy of a letter received from Mr. J. J. M. Lijdsman concerning the seed grain account charged against the above land. We believe that, considering the circumstances mentioned, some consideration should be given to granting a reduction in the account of Anton Kulyk.

As a recent Abstract of Title shows that there are four A.E.A. liens registered against the land by the Municipal District of Cereal No. 242 dated 1936, 1937 and 1938, we would like you to investigate this account with a view to having these liens included in whatever settlement is proposed.

Will you be kind enough to write to Mr. Lijdsman or else the owner, Anton Kulyk, as soon as convenient so that you may be able to negotiate an equitable settlement.

Dear Sir:

Re: S.E. 2-24-5-W.4th

We wish to thank you for your letter of the 2nd of May, 1936, written on behalf of the present owner of the above land, Anton Kulyk, concerning his seed grain account charged against it. We believe that the extenuating circumstances which you have mentioned are sufficient to warrant some reduction being granted in his indebtedness.

However, a recent Abstract of Title shows that in addition to the Federal liens, there are four encumbrances charged against this land by the Municipal District of Cereal No. 242.

As we believe that Mr. Kulyk wishes to have a clear title, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, with a view to having them included in whatever settlement is proposed. We expect you will hear from him within the next few days.

Yours very truly,

Dear Sir:

Re: S.W. 2-24-5-W. 4th Meridian,
Anton Kulyk,
Dominion Advances.

The above named obtained the following Dominion Advances giving as security Liens on the Title to the S.W. 2-24-5-W. 4th Meridian:

Seed Grain, 1919	$ 198.00	
Interest to 31/7/57	530.32	
Total		$728.32.

A Real Estate Agent, acting for the debtor, has offered and remitted the sum of Two Hundred and Eighty-Three dollars and Sixty cents ($283.60) as a full compromise settlement of the account.

The land is in the low producing area in the South East portion of the Province and has been subject to severe drought conditions over the years. The last few seasons hail has reduced the yield considerably. The payment tendered is sufficient to cover the full amount of the principal of the advance and a substantial portion of the interest charges. Mr. Kulyk has already paid the sum of Two Hundred and Ninety-Nine dollars and Seven cents ($299.07) as a full compromise settlement of Provincial Agricultural Relief Advances.

(Continued on Page 2)

In view of the circumstances outlined herein I recommend that the offer of Two Hundred and Eighty-Three dollars and Sixty cents ($283.60) be accepted as a satisfactory settlement. I further recommend that upon application of the said payment the account be adjusted so that it will stand paid in full and the liens be released from the Title.

Yours very truly,

A. R. Duff,

SIR,-

Re.-A. E. Garrett,
S.E. 18,1,17,4.

I beg to acknowledge receipt of your letter of the 12th ultimo, with reference to payment on the above party's Seed Grain and Relief indebtedness to the Department.

In reply, I beg to advise you that upon adjusting this account, I find according to the records of this Office, that it stands paid in full, and shows excess payment to the extent of $35.03, as indicated by the following statement:-

Principal Seed Grain		69.25
Int. from 22,2,18 to 10,3,19		13.52
		82.77
Paid Lethbridge 10,3,19		82.77

Principal Holder		25.00
Int. from 18,2,18 to 10,3,19		5.59
Principal Holder & Relief		30.00
Int. from 1,11,18 to 10,3,19		5.03
Principal Relief		25.00
Int. from 1e,2,19 to 10,3,19		1.11
		111.45
Paid Lethbridge 10,3,19		179.48
Excess		35.03

It is noted in the statement embodied in your letter of the above mentioned date, that you show three Holder Liens for the sum of $ 0.00 each, whereas according to Order File in this Office, I have record of only two such Liens, one bearing interest from the 6th of February 1918, and the other from the 1st of November, 1918.

It would appear from your statement that one of the Holder Liens is a duplicate of Lien dated 1st of November, 1915. Apparently this is where the over-payment has occurred.

I would ask you to kindly verify and advise me how this agrees with the records of your office, in order that a Refund Cheque may be issued for the above over-payment.

I might also add that discharges of the Liens in question, are receiving the attention of the Department, and you will be further advised in reference thereto, in the course of a few days.

Kindly give this matter your earliest attention.

BOARD ORDER NO: 11,327.

Re: N.½ 17 and N.E.¼ 18 both in
1-17-4. 4th Meridian,
Anson M. Garrett,
Joint Relief Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 21st, 1956, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable E. W. Hinman,

Dear Sir:

Re: N.W.¼ 17 and N.E.¼ 18 both in
1-17-W. 4th Meridian,
Anson M. Garrett,
Joint Relief Advances.

The debtor referred to above obtained advances for which Liens were registered against the Titles.

April 2nd, 1920	$148.00
Dec. 5th, 1919	78.50
April 26th, 1921	30.75
	257.25
Interest to 31/3/56	531.02
	788.27
Less payment 28/11/28	100.00
Total	$688.27

The N.W.¼ 17-1-17-W. 4th Meridian was sold by the in 1942 to Joseph Race for an undisclosed amount. The account was brought to the attention of a Mr. W. J. Quinn of Milk River who was acting on behalf of the debtor but no action was taken to effect payment at that time.

Mr. Race recently engaged the services of a legal firm who got in touch with respect to this account and we have received an offer from him of Two Hundred and Fifty-Seven dollars and Twenty-five cents ($257.25) as a full compromise settlement and release

(Con't on Page 2)

of the Liens from his Title. Mortgage foreclosure proceedings were taken in July, 1929, with respect to the N.E.¼ 18-1-17-W. 4th Meridian and that parcel has not represented any security since then.

It is now submitted that Mr. Rees at the time of purchasing was of the opinion that the Provincial Government has cancelled all of the Liens and he did not then have the benefit of legal counsel to advise him. It is further submitted that a larger payment would inflict a hardship on him.

Apparently a settlement has recently been concluded with respect to Dominion Advances which were outstanding against the S.W.¼ 17-1-17-W. 4th Meridian in the principal amount of Two Hundred and Eleven dollars and Twenty-Three cents ($211.23) and interest charges of Four Hundred and Seventy-Nine dollars and Thirteen cents ($479.13) by payment of Two Hundred and Eleven dollars and Twenty-Three cents ($211.23) to the Department of Northern Affairs and National Resources, Ottawa.

In view of the above stated circumstances and whereas the present offer equal to the original principal amount if added to the previous payment will provide a substantial recovery, I would recommend that same be accepted and after application is made to the account of the said Two Hundred and Fifty-Seven dollars and Twenty-Five cents ($257.25) same be adjusted so that it will stand paid in full and the Liens be released from the Title.

Provincial Seed Grain Advances in the principal amount of Three Hundred and Thirty-Five dollars and Ninety-One cents ($335.91) together with accrued interest have already been cancelled.

Yours very truly,

S. Cherkas,
CHIEF COLLECTOR.

Sir:-

I beg to acknowledge receipt of your declaration of abandonment of your pre-emption entry for the S.W. [illegible] 22-32-3 W. 4th Mer. in order that you may take same up as a Soldier Grant, and to say that I am forwarding same to Head Office for consideration.

Accompanying your abandonment was your application for entry or the land as a grant, which it appears the sub-Agent at Alsask accepted from you in error, as in cases of this kind authority for the change must first be secured from Head Office before the application for re-entry should be accepted.

A declaration should have been secured from you on the enclosed Form No. 125 showing your eligibility for a grant, and I beg to ask you to kindly have same completed before some one authorized to administer affidavits and forward to me.

Your obedient servant,

Sir,

Re NW¼, 22-32-3, W4M.

I beg to acknowledge the receipt of your declaration of abandonment in connection with the above mentioned quarter section, which you hold as a preemption entry. You state in your declaration that you wish to abandon your preemption entry and to be allowed to refile on the land as a Soldier Grant.

In reply I am to inform you that action is not being taken on your abandonment at present as it may be possible that you are not eligible to enter for land as a Soldier Grant.

For your information I am enclosing copy of Form 325 also a copy of The Soldier Settlement Act, 1919, and I am to draw your attention to Section 15 of the Act. After reading this Section of the Act you will be able to judge whether or not you are in a position to apply for a Soldier Grant entry. If not, you should communicate with this office within thirty days and apply to have your abandonment withdrawn so that you may retain this quarter section as your preemption.

If you are eligible for a Soldier Grant, you should appear at the office of the Agent of Dominion Lands at Calgary and execute Form 325 and present your Attestation Certificate from the Soldier Settlement Board. If the Agent is satisfied that you are entitled to a Soldier Grant entry, he will cancel your preemption and allow you to make Soldier Grant entry for the land in the ordinary way.

Nature of entry Soldier Grant.

In connection with your entry for the above described quarter section, I beg to point out that you have held this entry for over five years, and according to evidence on file have not applied for patent therefor. The Dominion Lands Act allows you a period of five years within which to apply for patent, otherwise your entry becomes liable to cancellation.

As you have obtained a loan from the Soldier Settlement Board, patent cannot be issued in your name until your indebtedness has been paid in full, but under the Order in Council of the 4th June, 1921, you could, if you so desired, apply to the Soldier Settlement Board for the issue of patent in the name of the Board, to be held on your behalf in connection with the amount advanced to you.

If you are satisfied that you have completed the requisite duties you are requested to appear, as soon as possible, before the Agent of Dominion Lands or Sub-Agent for your district, with two witnesses for the purpose of applying for patent.

I would impress upon you the necessity of completing your application for patent as soon as you are in a position to do so, as should such action be deferred until a later date you may then find it difficult to obtain witnesses who are conversant with the manner in which the duties have been performed.

If you are in any doubt as to whether you have completed the duties to entitle you to make application for patent, you are requested to fill out the enclosed form No. 35½, showing what you have done in the way of residence and improvements in each year since obtaining entry. If you will then forward the completed form here, you will be advised as to what further duties, if any, remain to be done.

Mr. J. W. Greenway,
Commissioner of Dominion Lands.

Referring to your memorandum of the 28th ultimo, relative to seizures, I beg to state that the amount due on the above account to the 31st March, last, was $735.57, the advances being for the years 1915 and 1919.

Letters written to Mr. Ward on the 25th October, 1926, and 24th February, 1927, were unanswered, although they evidently were delivered, and on the 29th April the Agent Dominion Lands, Calgary, was asked to have an inspector make a report during the coming season with a view to collection.

On the 15th ultimo Mr. J. Murcombe, Homestead Inspector, reported as follows:-

"A Mr. Paul Abrach of Harriemuir P.O. "has W.½ rented entrant to get fourth of crop delivered "in elevator. There is 55 acres in wheat and 2 in oats, "which was being cut at the time of my visit. Recom- "mend seizure be made. Land slightly rolling. Value $6. "per acre."

The above refers to the S.W.22, while on the N.W. 22-32-3 W.4th the inspector made a similar report stating that there was 60 acres in wheat on that quarter.

In view of the fact that requests for payment have met with no response from Mr. Ward, I would recommend seizure.

Agency File No. 77498.

Referring to the report of Homestead Inspector Nurcombe of the 16th September last in reference to this case I beg to call your attention to the contents of the statement made by Edwin Elmo Ward on the 27th December last, in which he sets up a claim for credit for continuous residence on his homestead in connection with his soldier grant, which is described as the South East quarter of Section 22, Township 32, Range 3, West Fourth Meridian, although no doubt he intended to refer to the South West quarter of the said Section, of which he claims to be the owner.

Whereas the Inspector makes no mention of Mr. Ward's residence duties it might be advisable to obtain a further report, and provided the Inspector is satisfied that the duties have been completed, he might be authorized to take an application for patent from the entrant.

Sir:

I am in receipt of your letter of 28th ultimo wherein it is observed you have credited the amount of $69.80 to the 1918 liens, and it has been deemed advisable, in view of the 1919 advance having the weakest security, to apply the said payment to that advance as shown in the accompanying statement. You might be good enough to place your records in agreement.

Re: Account of Edwin E. Ward,
NE 22-32-3-W4.

Dear Sir:

During the years 1915 and 1919 while homesteading the above mentioned land, Mr. Edwin E. Ward received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,268.10 of which $426.06 is principal and $842.04 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

G.K. LeCapelain,
Chief, Lands Division.

Re: Account of Edwin E. Ward
W½ 22-32-3-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 seed grain, fodder and relief amounting to $465.30 were advance to Edwin E. Ward on the security of the above mentioned land. Payments of $89.90 and $117.00 were received in 1928 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$426.06	$842.04	$1,268.10

Patent was issued in the name of Edwin Elmer Ward for the S.W.¼ 22-32-3-4 on the 14th of March 1916, and for the N.W.¼ 22-32-3-4 on the 19th of June 1930, subject to the liens.

This half-section of land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is discribed as situated in a drought area of the Province designated a Special Areas where crops have always been subject to failure on account of drought.

In reply to our questionnaire of the 16th of May 1952. Mr. J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Edmonton, Alberta, advised that this half-section was now assessed in the name of a Mr. Edwin E. Ward of Lea Park, Alberta, and that the land had a present day value of only $580.00.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances and in view of the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled.

scheme.

Sir,

In connection with the proposed investigation to determine the feasibility for reclamation by drainage of land in Athabasca District, I shall be glad if you will reserve in your records, the land included in the schedule attached.

I beg to advise you that reservations placed against land which is already under entry will not affect the rights of the entrant. In cases where the entry is cancelled or abandoned, it is proposed, unless there is a recognized applicant for the cancellation of the entry, to reserve the land for reclamation by drainage. Any application for inspection covering an entry within the tract now being reserved, which may have been received by you previous to the date of the receipt of this letter, may be dealt with by you in the regular way.

APPLICATION FOR ENTRY. With regard to applicants for entry who may appear before you in the near future, claiming that they have incurred expense in locating suitable land within the tract now being reserved, the Reclamation Service will offer no objection to such person or persons being allowed entry, provided you are satisfied by statutory declaration that the applicant did incur expense in good faith in locating land prior to the date on which you received this letter.

You will, of course, understand in regard to the foregoing instructions that applicants must be eligible for entry in other respects, viz., if the land is soldier settlement land application for entry or for cancellation could ONLY be received from a person who has the right to entry within that tract. Please advise me when these reservations have been noted in your records.

Re: Account of Joe Estus
N.W.¼ 9-66-20-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $122.00 was advanced to Joe Estus on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$122.00	$250.59	$372.59

Patent was issued in the name of Joe Estus for the N.W.¼ 9-66-20-W.4th on the 12th of March, 1914. and the land later became subject to the 1915 lien.

This quarter-section of land has never been revenue producing sufficiently to enable the repayment of the lien. In 1924 the homestead inspector reported that the debtor had moved to Vancouver, British Columbia. No one was farming the land which in his opinion was a very poor quarter.

In 1926 this quarter-section became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

According to an Abstract of Title dated the 25th of January, 1956, this quarter-section still stands in the name of Her Majesty the Queen in the Right of the Province of Alberta, as represented by The Minister of Municipal Affairs.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Enclosing letter and Account.

Sir:-

I beg to acknowledge receipt of your letter of the 16th ult., with reference to the claim which you hold against Mr. H. H. S. Wernham for advances made to him in connection with his former entry on the N.E. ¼ of 26-24-5-W. 4th Mer., and in reply to say that Mr. Wernham's present address appears to be Brooks, Alta. I would suggest that you place yourself in communication with him and endeavour to secure an order or an assignment in your favour of the amount of his indebtedness, and file the same at this office.

The sum of $90.00 has been collected from the present entrant on account of the improvements on the land and a Homestead Inspector has been requested to place a valuation on the same, but there is considerable doubt here as to whether the amount collected from the present entrant will be sufficient to discharge your indebtedness should you secure from him the order or assignment above referred to, as there is another claim against the land on file here.

Dear Sir:

Re: N.E. 26-24-5-W. 4th Meridian,
Thomas Wilton Estate,
Joint Relief & Agricultural
Relief Advances.

The above named debtor obtained advances of Joint Relief in the year 1922 in the principal amount of Sixty-Seven dollars and Sixty cents ($67.60) on which interest charges to date have accrued in the amount of One Hundred and Sixty-One ($161.00) dollars, the total amount of that account being Two Hundred and Twenty-Eight dollars and Sixty cents ($228.60). In the years 1936-39 inclusive, Agricultural Relief Advances were issued on the security of the Title to this parcel and that account with interest is now outstanding in the amount of Five Hundred and Twelve dollars and Forty cents ($512.40).

Liens were registered with respect to the advances referred to for both accounts, but same were subsequent to a mortgage in favor of the Holland Mortgage Company Limited for Eight Hundred ($800.00) dollars at nine (9%) per cent interest per annum, registered on January 6th, 1920, under Instrument Number 3,[illegible]08 C.I. The said mortgage was transferred to Credit Foncier Franco-Canadien by registration Number 12[illegible].E. dated October 26th, 1950.

We have no record of the actual date of demise of the [illegible] but in the years in which the Agricultural Relief Advances were

(Con't on Page 2)

the land was operated as an Estate by Jane Wilton, Executrix.
of 1952 Jane Wilton became mentally unbalanced and was committed
Provincial Mental Hospital and since that time the Public Trustee
Province has been responsible for administration of the affairs
both Estates.

Under date of March 3rd, 1955, the Credit-Foncier Franco-Candien commenced an action in the Supreme Court of Alberta, Judicial District of Calgary, to obtain possession of this land by virtue of mortgage that they held and which had risen to Three Thousand, Six Hundred and Fifty-Eight dollars and Fifty-Eight cents ($3658.58). A Vesting Order dated May 16th, 1955, was issued by the Honourable Chief Justice, C. C. McLaurin, granting cancellation of the existing Certificate of Title and issuing of a new Certificate of Title in the name of the plaintiff, free from all encumbrances which were registered subsequent to the original mortgage and also subject to exception, reservations and conditions contained in the existing Certificate of Title.

Information received from the office of the Public Trustee indicates that the only assets which were on hand on July 28th, 1955, were funds amounting to One Hundred and Forty-Six ($146.00) dollars which the Public Trustee proposed to use to furnish comforts for Jane Wilton while she was confined in the Mental Hospital. On that date maintenance charges at the Mental Hospital amounted to One Thousand, One Hundred and Sixty ($1160.00) dollars.

In view of the circumstances outlined above, it is my opinion that the accounts referred to above have become totally uncollectable and I would, therefore, recommend that they be written off in their entirety and the records closed.

It may also be stated that Straight Provincial Seed Grain Advances amount to Five Hundred and Four dollars and Fifty-Six cents ($504.56) have already been cancelled.

Yours very truly,

S. Cherkas,
CHIEF COLLECTOR.

Homestead --- Sarden Semenuk.

I acknowledge your letter of the 22nd ultimo and in reply would inform you that homestead entry on the above land was granted to Sarden Semenuk on November 16th, 1927. The entry was obtained by misrepresentation as to age and cancellation was carried out on the 8th of July, 1932, but in view of the settlement duties performed the settler was allowed to re-enter, and entry was granted on August 5th, 1932. On April 2nd, 1932, a formal application for patent was made.

As evidence of British nationality was not produced cancellation proceedings were instituted on January 10th, 1938, and are still outstanding.

If there is further information you desire regarding this entrant I shall be pleased to supply it.

RE: Account of Harry Pauleluk
N.W. ¼ 24-61-25-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $40.00 was advanced to Harry Pauleluk on the security of the above mentioned land. A payment of $15.75 was received in 1927, and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$40.00	$64.25	$104.25

The N.W. ¼ 24-61-25-W.4th was formerly the homestead entry of the debtor whose entry was later cancelled. The land was re-entered upon by a Mr. S. Semenuk to whom patent issued in 1939, and there is no record of the lien having ever been registered against the land.

According to an Abstract of Title dated the 31st of January, 1956, this quarter-section of land now stands in the name of a Mr. Sarden Semarnuk of Nestow, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for the advance, it is recommended that the indebtedness be cancelled.

Referring to the cancellation proceedings which were instituted against your pre-emption entry in January last, I beg to inform you that as you failed to file a defence the Department would be perfectly justified in filing out summary cancellation.

It has been decided, however, to grant you a further and final period of sixty days, within which to make a reasonable payment on account of the purchase price, or show cause that further time should be allowed. Should you fail to do so the agent will cancel your entry without further notice.

Patented homestead.

I beg to acknowledge receipt of your letter of the 10th instant and in reply may say that the privilege of a second free homestead is extended to those settlers who completed all the duties on their first homesteads prior to the 2nd June, 1889. The only exception is in favour of those settlers who took up homesteads in what is known as the "Dry Area" in southern Saskatchewan and Alberta. The "Dry Area" comprises that portion south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract. Unfortunately your patented homestead is outside the boundaries of such area and there is no way under existing legislation by which you can be allowed to secure another homestead.

A careful note is being made of your name and Post Office address so that if anything should turn up later on which would be to your advantage you may be advised thereof. You must not, however, take this letter as being any assurance whatever that any changes in this regard will be made in the future.

Sir,-

¼ N.W. Sec. 3 Tp. 32 Rge. 9 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

The indebtedness in this case has received the investigation of the Local Grain Adjustment Board of [illegible] who recommend that the necessary action be taken to remove from the records of the Land Titles Office [illegible] liens registered against the S.E. [illegible].

Re: [illegible]

This is the debtor's homestead and it is desirable that the total amount of the liens be retained as a charge against this quarter section until such time as the owner applies for [illegible] adjustment and that an effort be made to collect the amount payable on the said liens from the debtor.

Order-in-Council P.C. [illegible] dated the 18th ultimo was passed authorizing the cancellation of the above.

Sir:

Re. W½ 3-32-9, W4

There is a balance outstanding on your account for seed grain, fodder and Relief advances made in 1915, which this Department desires to have liquidated. Will you please advise at an early date what you are prepared to do towards discharging your obligations.

The amount outstanding on the 31st of March last stood at $215.84, including both principal and interest, and to this should be added interest at the rate of five per cent on the principal sum of $126.75 from that date to the date of payment.

Re: William Salamandick.
SE 21, SW 22-32-8-4,
Your file 2222853.

Title to the SW 22-32-8-4 stands in the name of William Salamandick of Hemaruka subject to Crown Liens given by Wm. Salamandick while the title to the SE 21-32-8-4 is at the present time free of these liens but will no doubt become so encumbered in time as same stands in the name of Wm. Salamandick. Under date of August 18 you forwarded a statement of the amount owing under the referral liens advising that they were originally registered on the NW 3-32-9-4.

The present owner of the SE 21 and the SW 22-32-8-4 contends that he is not the same individual as the grantor of the liens which have subsequently become a charge on his land.

A Statutory Declaration signed by the owner of the SE 21 and the SW 22-32-8-4 is enclosed herewith for your consideration.

Advice as to the action taken in this case would be greatly appreciated.

Re: Account of Wm. Salamandiok,
N.W. 3-32-9-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $170.95 were advanced to Wm. Salamandiok on the security of the above mentioned land. A payment of $44.20 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 126.75	$ 234.88	$ 361.63

Patent was issued in the name of Wm. Salamandiok for the N.W. 3-32-9-W.4th on the 11th of December, 1914, and later became subject to the 1915 liens.

In reply to our questionnaire of the 19th of May, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this department having been acquired through proceedings under the Tax Recovery Act. This land is occupied at present unde long term grazing lease and in view of its location in that part of the Province designated Special Areas there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Sir

In reply to your letter of June 27th 1918 with reference to application for patent on the above mentioned quarter section of land which is my purchased homestead, I beg to advise you that I shall have a few acres of breaking (Forty acres) to do to complete my duties.
I had intended to do this in 1917, but was unable to do so satisfactorily on account of the dry condition of the soil, which is heavy clay on the portion of the quarter section I wish to break. Again in 1918 conditions were even worse than in 1917 there not being sufficient rainfall during the year to loosen the sod enough to break.
I delayed answering your letter in the hope that before freeze-up there might be sufficient rainfall to complete the work.
I am now therefore ask for an extension of time in order that I may be able to meet favourable

Dear Sir

Seed Grain $85.00 Relief $94.80. 1916

Recently I forwarded to the Land Titles office, at Calgary, Alberta a Transfer of certain lands for registration.
Upon examination of the Duplicate Certificate of Title received, I find a lien attached viz: Horace Jenkins to Crown:—

$85.00 Seed grain } int. 5% — 256 13. D.
$94.80 Relief } 11.16. AM. 30. Dec. 1916

This was originally attached to the S.W¼ 13-14-2-W4th M. on 3rd. December 1916.
I understand that this lien, among others, was cancelled and discharged a number of years ago, and was surprised to find that it is still attached to my Certificate of Title as a lien against the land. Will you kindly advise as to my status in the matter, and what steps are necessary on my part to have this lien struck off the Certificate of Title.

Yours truly

Dear Sir:-

Re: S.W.¼ 13-14-2-W.4th.Mer.

I beg to inform you that I have recently drawn a three Year Lease on 3 quarters of land from Horace Jenkins of Pashley as the Lessor. to a Veteran obtaining assistance under the D.V.A.

Among the lands is included the the above South West quarter and the abstract and General Registration Certificate of Horace Jenkins shows registered two liens from the year 1915.

I have been informedthat in past years some payments have been made on account and the principal appears to stand as now in the sum of $137.48.

Mr. H. Jenkins owing to age and disability retired from active farming 10 years ago and suffered considerable losses in farm operation in his last 10 years.

As the D.V.A. request a clear Title to all lands & G.R.Certificate of the Lessor and adjustment of the Liens to your department is necessary, if the Veteran taking over the land is to receive the assistance applied for and get possession of the lands in lease.

I would now ask you to consider that during the years the Liens were payable there were many more years when the farmer operated with a loss, than years in which a comparable return was received.

Frequently I have dealt with the Board of adjustment in similar cases in Alberta and upon proper representations a reduction of interest has in all cases been made and in certain circumstances the amount of principal was reduced.

I would now ask you to consider to accept the sum of $200.00 as a compromise payment in full and to agree to discharge the Liens now registered upon said land.

Upon the advise of acceptance I am prepared to remit to you the sum of $200.00 as a payment in full.

This offer is made in behalf of the Veteran who is shortly to take possession of lands in lease.

Trusting that you will give this matter your early and favorable consideration and advise me of your decision on the matter.

Yours truly

Re: S.W. 13-14-2 W. 4th Mer.

This will acknowledge your letter of October 1st, 1948, on behalf of a War Veteran who is interested in obtaining a clear title to the above quarter section.

Our account for advances of relief and seed grain to Horace Jenkins secured by liens on the above quarter section now stands:

Principal	Interest	Total
$137.48	$231.16	$368.64

In view of the information you have sup lied and the submarginal nature of this land, if your client will remit $200.00 within a reasonable time, a recommendation will be made to the Seed Grain Adjustment Board to accept this amount in full settlement of our claim.

Kindly have payment drawn in favour of the Receiver General of Canada and forwarded to the undersigned.

Re: Account of Horace Jenkins
S.W. 13-14-2 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and relief in the amount of $180.60 was advanced to Horace Jenkins on the security of the above mentioned land. A payment of $43.97 was made in 1916 and the account now stands:

Principal	Interest	Total
$137.48	$231.16	$368.64

A recent Alberta Land Classification may shows this land to be class I, submarginal.

On 1st October, 1948, Stepehn Wiedeman wrote as follows:

"I beg to inform you that I have recently drawn a three year lease on 3 quarters of land from Horace Jenkins of Pashley as the Lessor, to a Veteran obtaining assistance under the D.V.A.

As the D.V.A. request a clear title to all lands & G.R. Certificate of the Lessor an adjustment of the liens to your department is necessary, if the Veteran taking over the land is to receive the assistance applied for and get possession of the lands in lease. I would now ask you to consider that during the years the liens were payable there were many years when the farmer operated with a loss, then years in which a comparable return was received. Frequently I have dealt with the Board of adjustment in similar cases in Alberta and upon proper representations a reduction of interest has in all cases been made and in certain circumstances the amount of principal was reduced.

.....2

I would now ask you to consider to accept the sum of $200.00 as a compromise payment in full and to agree to discharge the liens now registered upon said land.

Upon the advise of acceptance I am prepared to remit to you the sum of $200.00 as payment in full. This offer is made in behalf of the Veteran who is shortly to take possession of lands in lease.

After negotiations the amount of $200.00 was received in full settlement of the account. Under the circumstances this is considered equitable.

The oats are to be threshed (weather permitting) next Friday & it seems as if I shall barely clear expenses. Re: N.W. 4-32-21-W.4th.

We are enclosing a copy of a letter received from D.J. Merritt, Esq., Secretary Treasurer, Municipal District of Starland No. 47, Morrin, Alberta, concerning the account of Mrs. Alf. Williams charged against the above land.

As it is probably more convenient for you to negotiate a settlement in this case it would be appreciated if you would investigate this account and try to arrive at a suitable settlement.

An up-to-date statement is attached for your further information.

RE: Account of Mrs. Alf. Williams
N.W. ¼ 4-32-21-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $60.00 was advanced to Mrs. Alf. Williams on the security of the above mentioned land. A payment of $43.87 was received in 1924 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$42.90	$68.64	$111.54.

Patent was issued in the name of Mrs. Alfrieda Ryning Garland as personal representative of the late Walter Emanuel Williams for the N.W. ¼ 4-32-21-W.4th on the 22nd of November, 1917, subject to the 1915 lien.

This quarter section is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens.

In 1923 the homestead inspector in a report stated that there were no buildings on this land and all breaking had gone back. There are 90 acres of table land; balance all cut banks of Red Deer River.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances and in view of the substantial payment already received it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

No. of Report .....

Name of Homesteader ..... **Wm. Templeton** .....

Land :— ..... **S.E.** ..... of Sec. **9** ..... Tp. **26** ..... Rg. **3 - 4** ..... M.

General Remarks Continued:—

This man was killed Overseas and I am informed that the land is being sold by the Municipality for taxes. A.Hay had a mortgage on this land but does not consider the land is worth the taxes. There is nothing that can be done in this matter as far as collection is concerned except by sale of land which would not sell for sufficient to cover taxes and lien.

The land is very stony and light. There had been about 45 acres cultivated, which is now grown up to grass. No other improvements.

Re S.E.¼, 9-24-3-W. 4th Mer.:
William Templeton, deceased.

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the Dominion Liens charged against the S.E.¼, 9-24-3-W. 4th Mer., for advances made to the late William Templeton, be retained as a charge against this quarter section, but that any Municipal and Joint Relief Liens charged against the said land be discharged,

The Board submits the report of the Director, Debt Adjustment Act, dated February 7th, 1930, which report gives full details of all liens registered against the said land, and states in support of the recommendation:-

1. That title to this quarter section passed to the Municipal District of Acadia No. 91, under Tax Recovery Proceedings.

2. That the Municipality sold the said land for the sum of $175.00, with the purchaser to assume the Dominion Liens charged against said land.

3. That it has been established to the satisfaction of the Board, that the price paid to the Municipality for the said land represents the full value thereof.

4. That as provided for in the Tax Recovery Act, the Municipality distributed the proceeds from the sale of said land on account of Taxes and other charges which had priority to the Municipal and Joint Relief Liens, and that no surplus was available to apply on account of said liens.

5. That the debtor died several years ago, leaving no estate from which collection could be made under the personal covenant of the late debtor.

The Board therefore recommends that the total amount payable upon the Dominion Liens charged against this quarter section be retained as a charge against the said land until a further

recommendation .....

recommendation is submitted in connection therewith, or until the present owner thereof pays the total amount required to secure a discharge of said liens.

The Board further recommends that any Joint Relief Liens charged against the said land be unconditionally discharged.

Dear Sir:-

Re: Dominion and Municipal Liens. William Templeton, deceased, S.E.¼- 9-24-3-4. M.D. of Acadia No.241,
Seed Grain Indebtedness.

William Templeton obtained the undermentioned advances from the Department of the Interior, on the security of the S.E.¼- 9-24-3-4:

1916, Relief	$ 45.50
1915, Relief & Fodder	94.00
1916, Fodder	10.50
	$150.00

He has made no repayment and his indebtedness will amount, with interest to July 31st, 1929, to $255.05.

As security bonds were registered on title to the S.E.¼- 9-24-3-4, for $10.50, 7.50, 27.50, 10.50 and 94.00 as instruments numbered 1155 B.V. to 1159 B.V. inclusive.

There is also a lien for $54.50 and 95.50, which was registered as instrument numbered 7641 B.O.

William Templeton also obtained the undermentioned seed grain advances from the Municipal District of Acadia No.241 on the security of this property:-

April 3, 1918	$260.10
April 21, 1919	70.00
	$330.10

He has made no repayment and his indebtedness, including interest to December 31, 1929, is as hereunder shown:-

Seed Grain:	Principal	$330.10
	Interest	296.82
		$626.92

Liens were registered on title to the S.E.¼-9-24-3-4,

as instruments numbered 2658 B.Y. and 317 C.Y.

The Municipal District of Acadia No.241 had acquired title to this property, through non-payment of taxes, with the result that the liens registered by them merged in the title, leaving only the bond and liens registered by the Crown in the right of the Dominion of Canada as a charge thereon. They sold the property by resolution of the Council, for $175.00 in 1925, when land values were very low. The purchaser, Clarence McCauley, agreed to assume liability for the Dominion liens. They applied the proceeds of sale in payment of taxes, which amounted to $358.06 at the date of acquisition of title.

Under the arrangements then in effect between them and the Department of Municipal Affairs, they were obliged to pay the balance of the taxes from their general funds. There was thus no source from which they could collect the seed grain indebtedness excepting from the debtor himself. He was already dead and no information could be obtained as to his estate.

There is no necessity to make any recommendation in respedt of the Dominion liens, as in due course they will be paid by the present registered owner of the property. In view, however, of the lack of likelihood of collection of the seed grain and relief indebtedness of the Municipal District of Acadia No.241, I recommend that it be written off as uncolledtable, both insofar as it affects Templeton's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

Director.

Your Ref. 78452.

Sir:

In this case kindly be referred to the 1915 indebtedness as incurred by William Templeton, deceased, and be advised that an adjustment thereof has received the consideration of the Alberta Board who have recommended under date of March 28th that the indebtedness be retained as a charge against this land until payment in full of the account, both principal and interest, has been received. They further state that the Municipality sold the land for the sum of $175.00, the purchaser, Clarence McCauley, to assume payment of the Dominion Liens.

You will understand that, as there is no write-off, it is not considered that an Order-in-Council is necessary, and that it will be in order for you simply to notify the present owner of the findings of the Board.

Re: Account of Wm. Templeton,
S.E.¼ 9-24-3-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Wm. Templeton received fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $455.04 of which $150.00 is principal and $305.04 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

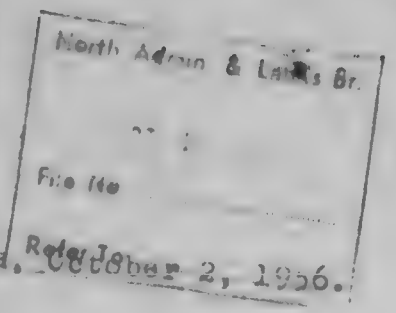

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

In a letter dated the 16th of February, 1936, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for fodder and relief which were advanced to Mr. Wm. Templeton by the Federal Government in the year 1919. The amount outstanding is $455.04 of which $150.00 is principal and $305.04 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

S.E. 9-24-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 fodder and relief amounting to $150.00 was advanced to William P. Templeton on the security of the above described land. No payment was ever made on this indebtedness until the sum of $100.00 was received when the standing of the account was:-

Principal	Interest	Total
$150.00	$305.04	$455.04

In reply to our recent inquiry concerning the Federal indebtedness charged against this land, Mr. Dave Lush, Empress, Alberta, on the 14th of November, 1956, wrote as follows:-

"Re: Your file #2241969
Account of William Templeton
S.E. 9-24-3-W.4th

Your letter of Oct. 2nd, addressed to Clarence McCauley of Empress, Alberta nas been turned over to me for attention. Mr. McCauley makes your Department the offer of One Hundred ($100.00) Dollars for a discharge of all the liens covering the relief and fodder supplied to a Mr. W. Templeton by the Federal Government in 1915. I would strongly advise your Seed Grain Advisory Board to accept this offer for the following reasons:-

1) Mr. Clarence McCauley is a returned soldier.

2) The land in question is far outlying from settlement and is very rough and is of a poor 2nd, or even 3rd, grade quality and is worth little more than the price of pasture land.

3) Mr. McCauley is now well over 60 years of age and for the past number of years his crop returns have little more than paid expenses.

I trust your Board will give this matter their earnest consideration and I will look forward to a favorable reply and would you please notify me when the Liens will be discharged if the offer is accepted."

../2

According to information received from the Secretary-Treasurer of the Rural Municipal District No. 34, Acadia Valley, Alberta, in 1952, the assessed value of this quarter-section was only $580.00 which conforms with Mr. Lush's valuation of the land.

The nominal sum of $100.00 being two thirds of the principal has been received in full settlement of our account. Under the circumstances this is considered equitable.

A. A. Ellis.

Re S.E.35-47-3-W4th.
William Lumsden.

I beg to acknowledge the receipt of your letter of the 19th instant relative to the application made by Mr. Lumsden for an advance of Seed Grain on the security of his unpatented pre-emption which he states has been refused by the Municipality.

In reply I would ask you to have Mr. Lumsden apply to the Secretary-Treasurer of the Municipality in which he resides and have him make out a further application. This letter will be the authority for doing so.

It must be clearly understood, however, that advances are only granted to settlers on unpatented land and also that the quantity of grain advanced is decided by the number of acres the applicant has broken.

I might also state that the Government has only arranged to make advances of Seed Wheat, Seed Oats and Seed Barley. Mr. Lumsden's request for 12 bushels of Seed Flax, therefore, cannot be considered.

Re: Account of William Lumsden,
Sd 35-27-3-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. William Lumsden received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $594.47 of which $194.80 is principal and $399.67 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the Federal indebtedness, which is more particularly described in the attached report, be cancelled without any payment and the liens discharged.

Re: Account of William Lumsden
S½ 35-27-3-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $194.80 were advanced to William Lumsden on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$194.80	$399.67	$594.47

Patent was issued in the name of William Lumsden for the S.W.¼ 35-27-3-W.4th on the 13th of March, 1914, while the S.E.¼ 35-27-3-W.4th was the pre-emption entry of the debtor which was later also patented in his name, both quarter-sections becoming subject to the liens.

This half-section of land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is situated in a drought area of the Province where the land is described as very poor, little of the land being broken and crops frequently no good and all dried out.

In reply to our questionnaire of the 30th of June, 1952, Mr. J. Thomson, Special Areas, Local Improvement District No. 300, Department of Municipal Affairs, Edmonton, Alberta, advised us that the S.E.¼ had a present day value of only $470.00 while the S.W.¼ had a present day value of only $310.00.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

W. J. Taylor.

Re N.E.¼ 7-41-7-4.

I beg to acknowledge receipt of your letter of the 16th ultimo having reference to two liens for $127.50 which appear against the title to the land above described and which Mr. Joe Martineau the present owner of the land in question states are illegally clouding the title to this land.

In reply I beg to advise you that the lien was given by W. H. Cowan on the security of this quarter section. Patent for same issued in his name on the 3rd August, 1916, subject to this lien. It would therefore appear that Mr. Martineau's statement in this case is incorrect.

With reference to the second lien of $127.50 this I may say appears to be a duplicate registration. The following is a statement of the account.

Seed Grain----------$127.50
Int. 8% from 27-4-19 to date of payment

On payment of the amount shown thereon plus the necessary interest direct to this office steps will be taken to have the liens removed.

Dear Sir:-

Re: N. E. 1s-3y-3 W. 5th.

You will remember our writing you December 1st. last, 1933, relative to lands above described which purchased by our clients, [illegible] Limited, from the C. P. R., the title to which property under Lease was No. 211-M-77.

We were advised that the Land Titles Office, Edmonton, had record of issued Writ Lien No. 4977 ... for $167.50 filed December, 1931, and your forwarded is a statement of account to pay off the same in your letter of June 15th. 1933.

Since receipt of your statement we have been in communication with Mr. Owen and have now received from him the enclosed letter dated February 14th. 1934, from which you will note that there must be some case of mistaken identity as he states that the only land that he ever owned in Alberta is the N. E. 1s-3y-3 W. 5th. and further, that he was not a resident of Alberta in 1915.

If you require any further evidence than Mr. Owen's letter, we will, of course, be glad to furnish you with a statutory declaration verifying the same and such additional information as you may require and we would be glad if you would check your records in the matter and, if you are satisfied that the lien in question should not affect the property in which our clients are interested,

we would appreciate your forwarding a letter addressed to the Registrar, North Alberta Land Registration District, as follows:

"The Registrar,
North Alberta Land Registration District.

The Department of the Interior has received satisfactory proof that William Henry Cowen the registered owner of the N. E. 16-39-3 W. 5th. Sir,

Re N.E. 16-39-3-W. 5th M.

I am advised by Messrs. Phillips, Gemmill & Smith, Barristers and Solicitors, Winnipeg, that a lien for $127.50 appears registered against title to the N.E.¼ 16-39-3-W. 5th M., at present standing in the name of their client, William Henry Cowen.

According to our records this lien was given in 1915 to cover an advance of seed grain made to William H. Cowen on the specific security of the N.E.¼ 7-41-7-W. 4th M., and satisfactory evidence has been submitted to the effect that the lienee never held an interest in the N.E.¼ 16-39-3-W. 5th M., and that he is not the William Henry Cowen who at present holds title to that land.

It would, therefore, appear that this lien has become registered against the said N.E.¼ 16-39-3-W. 5th M., owing to the similarity of names, and you are hereby authorized and requested to remove the said lien for $127.50 from the title to this land.

Re: Account of Wm. H. Cowen,
N.E.¼ 7-41-7-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Wm. H. Cowen received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $388.40 of which $127.50 is principal and $260.90 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Re: Account of Wm. H. Cowen,

In the above noted, many years ago, during the thirties at least, this land was taken over by the present owner, Mr. Joseph Martineau, during the course of settling debts.

You will note that he still holds the land not having been able to sell it. We do not know whether this would be considered extenuating circumstances, but as one creditor to another, might not this fact be given consideration. Our client would have been willing to sell at any time to realize the face of his debt without interest.

Dear Sirs:-

RE: N.E. 7-41-7-W.4th

We have your letter of the 23rd of July, 1956, informing us that the present owner of the above land Mr. Joseph Martineau would like to clear up the seed grain account of Wm. H. Cowan charged against his land. You have asked that the Seed Grain Advisory Board consider granting a reduction in this case.

In view of the fact that the owner has not been able to dispose of this land by sale and as information contained in our file shows that this quarter section is of low value, we are certain that the Board will accept a compromise settlement.

In order to assist your client in clearing his title, if he will remit the principal amount of $127.50, within a reasonable time, it will be recommended that the accrued interest of $260.90 be cancelled.

Dear Sir:

RE: Account of Wm. H. Cowen
N.E. 7-41-7-W.4th

I have for acknowledgment your letter of the 8th of August, 1956, enclosing cheque for $127.50, for which official receipt No. 34230 is herewith.

A report is now being submitted to the Minister of Northern Affairs and National Resources in this case and when the necessary authority has been obtained action will be taken to discharge the Federal liens.

Yours very truly,

K.J. Christie,
Acting Chief,

RE: Account of William H. Cowen
N.E. 7-41-7-W.4th

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the Minister apportion and adjust the Federal indebtedness more particularly described in the attached report, so that on application of the sum of one hundred and twenty-seven dollars and fifty cents ($127.50), the debt will be paid.

C.K. LeCapelain,
Dominion Member.

RE: Account of William H. Cowen
N.E. 7-41-7-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain in the amount of $127.50 was advanced to Wm. H. Cowen on the security of the above described land. No payment was ever made on this indebtedness until the sum of $127.50 was received when the standing of the account was:-

Principal	Interest	Total
$127.50	$260.90	$388.40

In reply to our recent enquiry concerning the Federal indebtedness charged against this land, Messrs. Shortreed and Shortreed, Barristers and Solicitors, 630-32 Tegler Building, Edmonton, Alberta, on the 23rd of July, 1956, wrote as follows:-

"Re: Account of Wm. H. Cowen, N.E. 7-41-7-W.4.

In the above noted, many years ago, during the thirties at least, this land was taken over by the present owner, Mr. Joseph Martineau, during the course of settling debts.

You will note that he still holds the land not having been able to sell it. We do not know whether this would be considered extenuating circumstances, but as one creditor to another, might not this fact be given consideration. Our client would have been willing to sell at any time to realize the face of his debt without interest."

In 1952 the assessed value of this quarter-section was only $480.00.

After negotiations the sum of $127.50, representing the principal has been received in full settlement of our account. Under the circumstances and in view of the low value of the land, this is considered equitable.

W.J. Taylor.

I beg to acknowledge the receipt of your letters of the 27th ultimo, in which you claim that Mr. T. C. Sir:

Referring to your file 7092, I am to say that you will by the same mail receive a copy of a letter addressed to Mr. Herman Martin, together with copies of his letters to the Department dated the 27th ultimo, in which he states that Mr. Arnell of the South West quarter of Section 14, Township 24, Range 11, West of the 4th Meridian, owes him money, and also that he has not completed the duties upon his homestead to entitle him to patent.

Mr. Martin may be taking this action out of spite. However, his statements regarding the non-completion of the settlement duties may be correct, and I am to ask that you will instruct a Homestead Inspector to visit the land at once and ascertain what has been done in the way of settlement duties. It is not desire to stay Mr. Arnell's patent any longer than is necessary as it is just possible that Mr. Martin's statements regarding the completion of the settlement duties are not justified by the facts.

Sir,

Re S.E.¼ - 14 - 34 - 11 - West 4th.

Replying to that portion of your letter of recent date respecting the homestead entry of Mr. Torkel Gillis Arnell for the above described land, I beg to say that the Agent of Dominion Lands at Calgary has already been instructed to detail a Homestead Inspector to report in regard to performance of settlement duties by the entrant in this case.

Your inquiries in regard to the other lands mentioned in your communication will be replied to separately.

In future kindly note that when you have occasion to write to the Department do not refer to more than one piece of land in each communication.

Sir:

Under date of the 29th of November last, the application for patent of Mr. Torkel Gillis Arnell, for the S. W. quarter of 14-34-11 West of the 4th Meridian, was recommended and forwarded to the Department, and on the 27th of December last, Mr. Herman Martin, the entrant on the West half of 3-34-11 West of the 4th Meridian, wrote two letters to the Department in connection with the performance of the duties by Mr. Arnell, copies of which are herewith enclosed, and I have been requested by the Department to instruct you to visit the land at once and make a very careful investigation, ascertaining for the Department, exactly what the entrant has done upon the quarter section each year to date in the way of residence, improvements, breaking and cultivation.

I might add for your information that it appears from the communication of Mr. Martin that Mr. Arnell is indebted to him, and it might be that Mr. Martin is taking this action out of spite, and it is not desired to stay Mr. Arnell's patent any longer than necessary as

it is just possible that Mr. Martin's statements regarding the non completion of the settlement duties are not justified by facts.

MEMORANDUM:

Mr. Hume,

Application for patent,
Torkel Gillis Arnell,
For the S.W.¼ 14-34-11,
West 4th Meridian.

In this case the application for patent comes down and residence and other improvements were sworn to as having been satisfactorily done, the homesteader claiming over nine months residence altogether.

The Department received a letter complaining that the duties in this case had not been completed and the man who complained subsequently stated that he did not intend to make any complaint.

However we had already instructed a Homestead Inspector to investigate in this case and this report concludes in the following way,-

> "Entrant got Mr. Martin to do some breaking for him, Arnell, Mr. Martin hired another man to do said breaking as he hadn't time himself with the understanding Mr. Arnell would pay for same. Mr. Arnell would not pay for it and Mr. Martin had to. I didn't see Mr. Martin but I got the information from Mr. Therold Hanson, who lives just across the road from entrant.
>
> "I would recommend entrant be ordered to go on his land and do 3 years resident duties, failing which cancel his land."

The report itself shows only four months residence although the Inspector states that he is a bona fide resident. The house is worth $75.00, stable worth $40.00, fencing worth $90.00 and 35 acres have been cultivated, worth $100.00.

It seems to me the Department ought to take some further action in a case of this sort as false statements were deliberately made by the homesteader with a view to obtaining his patent.

The preparation of the patent has

nas been stayed although patent is on file.

I suppose cancellation of the entry would be too severe a penalty. It seems to me under ordinary circumstances this would be done.

I beg to acknowledge receipt of your letter of the 20th ultimo, with reference to the claim which you hold against Mr. Gillis Arnell, the entrant on the South West quarter of section 14-34-11, George C. The homestead entry of Mr. Arnell for the first mentioned land has been patented and there is no way whereby this office or the Department could assist you in having a settlement of the claim made, and it will be necessary for you to take whatever other steps you may deem neseccary. With regard to the entry of Mr. G.C.Curtiss on the East half of section 2-34-11, West of the 4th Meridian, I beg to say that this entry is the subject of cancellation proceedings and should cancellation be carried out the party securing reentry for the land will be called upon to make payment

called upon to make payment of the homestead inspector's valuation of improvements.

However, the Department would entertain your request for a refund of the amount so collected you will have to file here either an order or assignment from Mr. Curtiss of the amount of his indebtedness to you, or if you are unable to do this, the only alternative would be for you to secure a judgment in the Courts against him and file a certified copy of the judgment at this office. It is the practice of the Department in such cases to recognise the Court's order and under the circumstances, the Department I have no doubt would pay the money into Court for the satisfaction of your claim.

With reference to the claim against Mr. Geo.Stanley I might add that this land still stands in his name, and it will be necessary for you to look to him for a settlement. His address is apparently Sounding Creek, Alberta.

Dear Sir; Re S. E. 14-34-11, W. 4th.
Your file 7[illegible].

Referring to the above quarter-section and to your letter of June 8th, we beg to enclose herewith a copy of the letter referred to in our letter of June 2nd. On the strength of this letter, we took proceedings for Mr. Schultz and several other creditors and secured judgment against the entrant of this land who had creditors in a considerable amount. If the information contained in your letter of June 8th is correct these creditors are placed in a position of probably losing their claims and the costs required to perfect same.

Some time before your letter of May 16th, 1914, the writer remembers that some of the neighbors of the entrant to this land were in the office and seemed to think he had not entirely completed the last six months residence required and we made some enquiries in regard to this matter. The Homestead Inspector's report that he had only done four month's residence is certainly not correct, and we are under the impression that he did all his duties as the writer knew him personally for two or three years and he worked in

Will you kindly send us a copy of this man's statement as to the time he put in on this land when he made application for patent. Gentlemen,

Re S.W.¼ 14,34,11,W. 4th M.

In reply to your communication of the 5th ultimo addressed to the Agent of Dominion Lands at Calgary which document was forwarded here by the above mentioned official in which you request a copy of Mr. Arnell's statement regarding the time he resided on the above land, I am to inform you that it is not the practice of the Department to furnish copies of official documents except under an order from the Court. This, however, does not prevent you from furnishing the Department with evidence as to the periods of time Mr. Arnell worked in Coronation and outside points. If such evidence is furnished the question of having the matter further enquired into will be considered.

MEMORANDUM:

Mr. Hume,

S.W.¼ of 14-34-11, W. 4th M. Homestead, T.G. Arnell. Application for patent dealt with in the usual manner. Issue of Patent st yed as complaint made duties not performed.

Mr. Arnell made his application for patent showing the completion of duties as set forth on Form 58 but as the Department received a letter complaining the duties had not been completed a Homestead Inspector was ordered to look into the matter and report.

On the 10th of March, 1914, Inspector Woodlock reported only about four months bona fide residence and in his general remarks he stated as follows,-

"Entrant got Mr. Martin to do some breaking for him, Arnell, Mr. Martin hired another man to do said breaking as he hadn't time himself with the understanding Mr. Arnell would pay for same. Mr. Arnell would not pay for it and Mr. Martin had to. I didn't see Mr. Martin but I got the information from Mr. Thorold Hanson, who lives just across the road from entrant.

I would recommend entrant be ordered to get on his land and do 3 years resident duties, failing which cancel his land."

When this report was received the instructions were to notify the homesteader in general terms what the Inspector's report showed and advise him that he would require to complete his residence duties and that it would appear as if his entry was liable to cancellation should anyone file an application for inspection.

It seems, according to evidence on file, that there are claims against this land for material furnished in connection with the improvements placed thereon by the homesteader.

On the 12th of April, 1917, the Agent instituted cancellation proceedings on behalf of an

an application for inspection received from Mr. L.T. Sochia.

The sixty days expired on the 12th of June and the Agent now wishes to be advised whether he should cancel the entry and allow the applicant for inspection the usual time within which to obtain entry. As nothing has been heard from the homesteader since our letter of the 4th of March, 1914 and as it would appear from evidence on file that he is not in the country I would recommend that the Agent be authorized to cancel the entry and dispose of the land in accordance with the Regulations.

The breaking on the land is of little or no value now and the fencing is worth a very small amount. The wire of course is of value. The house is possibly worth somewhere about $50.00, although I do not pretend to be an expert on valuation of buildings.

I would recommend that Arrell's entry be cancelled and that re-entry be granted in accordance with the regulations the entrant's valuation of the improvements to be accepted at thetime of entry, subject to a Homestead Inspectors valuation, if necessary.

Sir

Re S.W. I4-34-II W 4th.

Referring to your letter of the IIth July last file 2283733 and to the investigationrequired as to the residence duties performed by T. G. Arnell, I beg to state that I visited this land and the vicinity thereof for the purpose of securing the desired information and would report as follows,-

Mr. Arnell is not now in that part of the country nor does anyone either in the town of Coronation, where he worked, or in the vicinity of this land, know his whereabouts. Neither of the witnesses to the Application for Patent are in that part of the country, so that they could not be interviewed. There are very few settlers there who resided there at the time the residence duties are claimed, but those interviewed state definitely that the amount of residence was never put in. Arnell worked in the town of Coronation while claiming to have put in his duties, and he could not do both as the land is too distant from the town to permit this, and in any case, I understand,he was a single man. The townspeople whom I interviewed remember the gentleman and those spoken to cannot remember his being absent long enough at any season, to comply in the slightest with the Homestead Regulations. He has been absent about three years and am creditably informed that he tended bar in Coronation for eighteen months prior to leaving. At the time he made application for patent, there should have been several near neighbours capable of subscribing to this Application, should they so desire, without going so far away for witness-

Sir:-

With further reference to your application for Soldier Grant entry on the S.W. ¼ 14-34-11 W. 4th Mer., I beg to say that in view of your having agreed to assume the Seed Grain indebtedness, your entry for this land has been completed in our records.

In your declaration you valued the improvements at $50, but only forwarded the sum of $49.53 which you stated was one third the value of the improvements and the balance on account of Seed Grain indebtedness. This however could not be applied in this manner, as the regulations require that an entrant must pay for the improvements at the time of entry, but in the case of a Soldier settler, he is not required to make an initial payment on account of Seed Grain indebtedness. Your payment of $49.53 was therefore applied on account of the improvements, and it is 47 cents short of your valuation. A Homestead Inspector's report is however being called for, and you will be required to pay the amount of the Inspector's valuation, of which you will be advised in due course.

Ottawa, January 4, 1922.

Sir,

S.E. ¼ 11-44-11, W4th M.
Soldier Grant-Dom Entries Dawson.

I am in receipt of the soldier's application of Mr. John D. Dawson, for the above described land, and before the subscribed declaration on the 25th October last, can be taken as the application for entry, I am to inform you that before any entry can be allowed under section 15, Soldiers' Civil Re-establishment Act, 1919, as amended by section 10, Chapter 7, of the Statutes of 1920, it will be necessary that the applicant should be in possession of a certificate of validity issued by the Board of Pension Commissioners for Canada, which certificate has not been received in this office.

I am also to inform you that the applicant's letter of October 11, 1921, in which he states that he has been in possession of the land since 1914, cannot be accepted as establishing his claim to settlement duties, as the soldier does not appear to have been in possession of the land at the time of his enlistment, which is necessary, under the provisions of the Act, before any soldier can be allowed to perform settlement duties on land entered for by him.

I am also to draw your attention to the fact that the application for entry was not made on the proper form, but it is noticed that some use was made of the subscribed letter of October 25th, and I am to say that this entry was held for an unduly long period before the necessary papers were forwarded to this office. Please note for future guidance that all applications must bear the date on which they are signed and not the date on which they are received in this office.

You are also to note that the applicant is not to take possession of the land until further advised, as it would be better for him to wait before making any improvements.

Kindly furnish the Department with full information as to the whereabouts of the applicant.

Your obedient servant,

The Agent of Dominion Lands,
Calgary,
Alberta.

Assistant Secretary.

Sir:-

I beg to draw your attention to the fact that when making application for Soldier Grant entry on the S.W. ¼ 14-34-11 W. 4th Mer., you made a declaration that the only other land which you held was the S.W. ¼ 15-36-7 W. 4th Mer. and in view of this you were granted entry for the first mentioned quarter by this office. Head Office has however now drawn my attention to the fact that the S.E. ¼ 16-36-7 W. 4th Mer. still stands in your name as a pre-emption entry, and as the regulations at present in force do not permit of the granting of a Soldier Grant entry if the applicant already holds a half section of land, unless special permission is secured from the Soldier Settlement Board, and as such permission was not secured by you, it would appear that it would be necessary to cancel your entry.

I am therefore to warn you not to take possession of the land until further advised, and in the meantime I would suggest that you furnish a full explanation as to why you made a declaration that you only held the S.W. ¼ 15-36-7 W. 4th Mer. when you also held the S.E. of 16.

Sir:-

I beg to acknowledge receipt of your letter of the 4th instant - files 2283723-2296683-3017451 - and in reply to say that Mr. J. B. Moerman was granted Soldier Grant entry for the S.W. ¼ 14-34-11 W. 4th Mer. in view of the declaration which he furnished showing that he only held one quarter section, and our records were not checked in regard to his holding any other land.

It is regretted that the application form was not stamped, but the delay in completing the entry was caused by the sub-agent having neglected in the first place to secure Form No. 525 and also to have a Seed Grain agreement completed, and these forms were called for on receipt of the application.

A copy of my letter of this date to Mr. Moerman is enclosed.

Dear Sirs,

I beg to acknowledge yours of Jan 11th Jan no.s. 57386, 156757 and 79092 and beg to reply that some misunderstanding has been made by the Sub-Agent at Stettler as I gave him to understand I had a pre-emption entry; but had not applied for patent on same; my English being a long way from perfect and it is possible I may have made some mistake but it was without my knowledge.
In reference to my pre-emption entry of the S.E. 16-26-5 I have decided that if this is any stumbling block to my soldiers grant I will abandon it and would be much obliged if you would send me forms & such are necessary. However I fail to see how this pre-emption entry would affect my soldiers grant of S.W/4 of 14-34-11 w. 4th. with the pre-emption extension of 50 acres making a title of 210 acres my whole contention being to complete homestead when I filed on soldiers grant I had in my possession the necessary papers and they were supplied me by the Soldiers Settlement Board and they know all about my case of homestead & Pre emption and would refer you to them on two letters June 17 & Jan 6. File number 10603 in which they practically granted me the appeal for which you refer to.
I do hope this will be cleared up soon as I have my outfit for cultivating all ready for spring work and hope to hear from you soon

Yours truly
Hiram McCorman

When making Application for Soldier Grant entry on the 25th October last, Jean B. Moerman subscribed to a sworn declaration that his holdings consisted of his Homestead the land above described and valued the same at $2400. Later it was ascertained that the Pret. S.E.¼ 16-36-7-W. 4th M. was registered in the records of the Department as a Pre-emption in the name of this settler.

In view of his holdings the entrant was communicated with and I enclose a copy of his reply, from which it would appear that while eligible in other respects for Soldier Grant he has not been granted any special consideration by the Board to obtain a Soldier Grant in view of his present holdings, however, as his Pre-emption only comprises fifty acres the matter is being submitted for your consideration as to whether Mr. Moerman is entitled to any special consideration in the matter of procuring a Soldier Grant in view of the fact that he is the holder of the Homestead and Pre-emption. This settlers request to be permitted to abandon his Pre-emption and retain his Soldier Grant has been noted, and if it is decided that he is not entitled to any special consideration and you will so advise the Department his Application to be permitted to abandon his Pre-emption and retain his Soldier Grant will receive consideration.

Pre-emption - Jean B. Moerman.
Area "B".
Cancellation proceedings outstanding.

The entrant in this case when making application for patent for his homestead on the 16th November, 1921, claimed residence, cultivation and other improvements as shown on form No. 58A, marked, attached to the homestead file.

The original papers in connection with the pre-emption cannot be located and on the 2nd January, 1925, the Agent furnished a synopsis from his file. He stated that the pre-emption was filed on by Mr. Moerman on the 22nd July, 1913, and that in answer to a letter of the 4th March, 1921, an abandonment form was forwarded to him with the usual information regarding not being able to get another pre-emption or purchased homestead.

On June 11th, 1924, a Homestead Inspector's report was forwarded this office, stating that Mr. Moerman had left four years ago, also that the above land was very poor and sandy, and that there were no improvements thereon; that on September 29th, 1924, a letter was received from the entrant and forwarded to this office which read as follows:--

"In reference to enclosed notice you
"sent out recently, I beg to state that when I
"filed on S.W.¼ 14-34-11 W. 4th Mer., as a
"Soldier's Grant, I abandoned my old pre-emption,
"the S.E.¼ 16-36-7 W. 4th Mer."

- The -

The Agent further states that the abandonment form was apparently not completed by Mr. Moerman although same was forwarded to him on the 4th October, 1924.

Cancellation proceedings were instituted against the entry on behalf of the Department on the 24th January, 1924. No defence has been filed.

The Agent now forwards a report from Inspector Kembry dated the 19th November, 1925, in which he states that the entrant left the district in 1920; area fit for cultivation - nil.

General Remarks

"This pre-emption consists of a fractional "area and I was informed that the entrant was still "in the vicinity of Coronation and not likely to "return to this land. I would recommend that "cancellation proceedings be instituted".

In view of the evidence furnished by the Inspector, I would suggest that the Agent be instructed to carry out cancellation of the pre-emption entry, notwithstanding the winter protection now in force.

Mr. Hill

Re J. B. Moerman
~~S.E.~~ 16-36-7-4.

On the 21st July 1913 Mr. Moerman obtained entry for the above described as a pre-emption and subsequently obtained patent which was forwarded on 18th January, 1924.

Evidently before qualifying for patent for the land above described he made application for and obtained, entry as a Soldier Grant the S.W.¼ 14-34-11-4 on the 25th October 1921 and assumed against the said land the indebtedness of the former entrant in the lien of $110.00 executed by L. T. Sochia.

On a request being made by the Assistant Controller on the 11th January 1924 for a statement of any liens preceding the issue of patent to J. B. Moerman for S.E. 16-36-7-4 -the lien in question was apparently inadvertantly shown in a statement from this Branch.

It will therefore be noted that L. T. Sochia never had any interest in the S.E. 16-36-7-4 and his lien could have no force or effect against the said land and I would respectfully suggest that the lien given by L. T. Sochia on the security of S.W. 14-34-11-4 be removed from the S.E. 16-36-7-4.

I might say that this is one of the cases awaiting reply being included in a Tax Sale list.

Re S.W. 15-36-7-W. 4th M.

With reference to our letter of the 10th January, 1924, enclosing letters patent for the above described land in the name of Jean B. In view of the circumstances you are, therefore, hereby authorised and requested to remove from the title to the said the S.W.¼ 15-36-7-W. 4th M., the lien in question for $110.00, registered against it under seed grain certificate No. 75854.

Re: Account of L.T. Sochia,
S.W.¼ 14-34-11-W4.

Dear Sir:

During the year 1919 while homesteading the above mentioned land, Mr. L.T. Sochia received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $270.89 of which $79.44 is principal and $191.45 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the seed grain advisory board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,

S.W. 14-34-11W4th.

I am in receipt of your letter of February 22nd,1956 re the seed grain against this land, received by Mr Sochia in 1919. As you are aware this land is in the dry belt of Alberta, and crops are very uncertain.

As a matter of fact, owing to health conditions, I am not able to farm this land, and I have only four cows and calves. So I get very little income from the farm.

I am in receipt of a Veteran's Allowance of $60.00 per month just about enough to live on.

You will readily understand that I am not financially able to make any payment on this lien, and I should be pleased if you give this your special consideration and discharge the lien.

Yours truly,

John Moerman

RE: Account of L.T. Sochia
S.W. ¼ 14-34-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $110.00 was advanced to Mr. L.T. Sochia on the security of the above mentioned land. A payment of $49.53 was received in 1921 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$79.44	$191.45	$270.89

The S.W. ¼ 14-34-11-W.4th was formerly the homestead entry of the debtor whose entry was cancelled on the 28th of September, 1921. The land was later re-entered upon by Jean B. Moerman to whom patent issued on the 18th of October, 1927, subject to the indebtedness of the former entrant.

This quarter-section is of very low assessed value $400.00, and has never been revenue producing sufficiently to enable the repayment of the lien.

On the 14th of May, 1946, John Moerman of Coronation, Alberta, wrote us as follows:-

> "I am in receipt of your letter of February 22nd, 1956, re the seed grain against this land, received by Mr. Sochia in 1919. As you are aware this land is in the dry belt of Alberta, and crops are very uncertain.
> As a matter of fact, owing to health conditions, I am not able to farm this land, and I have only four cows and calves. So I get very little income from the farm.
> I am in receipt of a Veteran's Allowance of $60.00 per month just about enough to live on.
> You will readily understand that I am not financially able to make any payment on this lien, and I should be pleased if you give this your special consideration and discharge the lien."

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances and in view of the poor financial status of the owner, it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

W.J. Taylor.

Re: S.W. 14-34-11-W.4th

After giving careful consideration to your letter of the 14th of May, 1956, concerning the seed grain account of Mr. L. T. Sochia charged against the above land, we suggested to the Seed Grain Advisory Board that the balance of the indebtedness be cancelled.

Recently the Board considered this matter and they have now recommended the cancellation of the account without any payment. We are presently awaiting the authority of an Order-in-Council to ratify the Board's decision.

1. THAT, the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of Three Hundred ($300.00) dollars to the credit of the Joint Relief Advances the debt will be paid.

Dominion Member, Seed Grain and Relief Adjustment Board.

Honourable,
Minister of Northern Affairs and National Resources,
Canada.

J-M-9

DEC 6 - 1957

BOARD ORDER NO: 11,403.

Re: W.½. 15-13-2-W. 4th Meridian,
Adam Nits Estate,
Joint Relief Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated December 3rd, 1957, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable E. W. Hinman,
Provincial Treasurer,
Province of Alberta,
EDMONTON, Alberta.

December 3rd, 1957.

11403

Mr. A. W. Morrison,
Chairman,
Seed Grain and Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: W.½. 15-13-2-W. 4th Meridian,
Adam Hitz Estate,
Joint Relief Advances.

Adam Hitz obtained the following Joint Relief Advances giving as security Liens on the Title to the W.½. 15-13-2-W. 4th Meridian. Particulars are as follows:

February 13, 1920	$ 52.25	
March 12, 1920	65.85	
March 29, 1920	160.00	
	278.10	
Interest to October 31, 1957	730.22	
	1008.32	
Payments	153.91	
Total		$854.41.

The borrower died in the 1920's and his son, Jacob Hitz, assumed responsibility for his father's accounts by taking over the chattels and the farm. Through the years several attempts at settlement were made by the son but no satisfactory result was obtained.

Continued on Page 2

Jacob Nitz is now retired from farming and has disposed of his holdings. He is anxious to give clear Title to the purchaser but due to very limited means is not in a position to settle in full without inflicting serious hardship on himself.

It must be noted that if the present payment is added to amounts previously paid the total provides for recovery of the full amount of principal and a substantial portion of the interest charges.

I would, therefore, recommend that the offer be accepted as satisfactory and after application is made to the account of the present payment of Three Hundred ($300.00) dollars the balance remaining be cancelled and the Liens be discharged.

Yours very truly,

ARDuff
